The nine hundred ninety-second regular meeting of the City Council of the City of Milwaukie, Oregon, was held at the City Hall in Milwaukie, Oregon, on the nineth day of March, 1964, commencing at the hour of 7:30 p.m. Pacific Standard Time.

The meeting was duly called to order by Joseph M. Bernard, Jr., Chairman of the Council.
The roll was called by Clerk Ellen Martin. Those present were: Mayor Joseph M. Bernard Jr.; Councilmen Charles Renard, Walter J. Freeman, Theron E. Sedgwick and Robert E. Richmond, being all of the members of the City Council.

Also present at the meeting were: City Manager Max Thompson; City Attorney John O. Sheldahl and Council Clerk Ellen Martin.

The minutes of the regular meeting of the City Council, held on the 10th day of February, 1964, were approved as read.
The minutes of the special meeting of the City Council, held on the 24th day of February, 1964, were approved as read.

The invocation was given at the hour of 7:30 P.M. by Reverend Ben Harris, Assembly of God Church, 10680 Grant Street.

Mrs. P. V. Marker, 3832 Jefferson Street, came before the Council and explained that, under permit, they had moved a house on to their property, Lots 7, 8, 9, 10, Block 71, Minthorn Addition. Their intention was to remodel the house to be occupied by Mr. and Mrs. Marker. The house was set in front of the house they were occupying which had been built on the back of the property long before zoning was in effect in Milwaukie. The Markers now want to remodel the small house and use it as rental unit, and asked if it would be necessary to join it to the larger house, making a duplex, before she could rent it to tenants. Mrs. Marker was advised to take this matter before the Planning Commission at their meeting on March 17.

A letter from Standard Oil Co. was read, the letter was a request that they be permitted to have one 30 foot driveway opening into Lake Road and two 30 foot driveways opening into 21st Street from a filling station which they propose to build at the southeast corner of Block 40 at 21st and Lake Road. It was moved by Richmond and seconded by Renard that this matter be referred to the Planning Commission. Motion carried and so ordered.

Mr. Boyd Jossy reported that he and the contractor had gone over the plans for the library and had brought the actual construction cost down to $136,000.00 and that he would present the proposed plans to the Library Board for their approval.

The Citizen's Fire Committee's report was again taken up and examined. Fire Chief Wickam and Manager Thompson explained the different items recommended by the Committee. Manager Thompson stated that the new equipment items, which were much needed were too large to be financed by the budget and recommended that the City have a Bond election to raise $150,000.00 to be paid in fifteen years. It was moved by Richmond and seconded by Sedgwick that the following Resolution be adopted.

Resolution No. 8-1964, providing for the calling of a Special Election to vote on a proposed Amendment to the City Charter authorizing the City to issue General Obligation Bonds in the sume of $150,000.00, in order to provide the City with additional fire fighting facilities was then read to the City Council by City Attorney John O. Sheldahl.
