AND WHEREAS, it is necessary that said improvement be made as soon as possible on account of sewage disposal and drainage conditions in said district; NOW THEREFORE an emergency is hereby declared to exist and this Resolution shall go into full force and effect immediately upon its adoption.

ADOPTED THIS 23rd DAY OF JULY, 1962.

Earl M. Clay, Mayor

ATTEST:

R. E. Osborne, Recorder.

Mayor Clay opened the hearing on the question of the improvement of Madison Street from 30th Street west to Henneman's Acres, by curbs, sidewalks and pavement, and called for objections to the same. There were citizens present who owned property along the street, they objected to the sidewalks because, in order to put in sidewalks the grade of the street would but back to the property line and make the driveways along the south side of the street too steep to be used. It was suggested that the sidewalks along this short street be eliminated. It was moved by Howard and seconded by Sedgwick that the street be improved by pavement and curbs only, that the distance from curb to curb be 38 feet, and that the sidewalks be eliminated along this portion of Madison Street. Motion carried and so ordered.

Ordinance Number 925 AN ORDINANCE providing for the procedure, without election, to annex certain territory contiguous to the present boundaries of the City of Milwaukie, Clackamas County, Oregon, pursuant to the provisions of Chapter 511, Oregon Laws 1961; accepting written consents of landowners in such territory to said annexation; determining that at least two-thirds of said consenting landowners also own at least two-thirds of the land in the said contiguous territory and own real property therein representing at least tw-thirds of the assessed value of the real property in said contiguous territory; fixing a day for a public hearing before the Council of the City of Milwaukie, Oregon, on the question of such annexation; directing publication and posting of notice of such hearing; and declaring an emergency; was taken up and read for its second reading and put on its passage with the following result being had. Ayes: Howard, Renard, Baer, Sedgwick and Clay. Nays: None. Ordinance Number 925 passed the Council and was so declared by the Mayor.

Mr. Carl Reinke, from Stevens & Thompson, reported that the sewage lift station for the Area "D" Sewers was completed and recommended that the same be accepted. It was moved by Howard and seconded by Sedgwick that the sewage lift station for the Area "D" Sewers, built by Corcum, contractor, be accepted. Motion carried and so ordered.

On motion duly made and carried the meeting adjourned.
