Bill of J.I. Johnson for damage to water main by W.H. Counsell was read Mr/Counsell denied liability for the damage but if found liable would pay the damage. On motion the bill was laid on the table as a matter of settlement between Mr Counsell and Mr Johnson. Councilman Mullan was of the opinion the bill for the improvement of Palm Ave should be taxed to the adjacent property. Motion by Councilman Kelso that all bills be allowed but the one mentioned above. Motion Carried.

Street Committee ~~Report~~ in reporting on the matter of crushed rock requested Mr. Patterson (rep) Austin Mfg. Co. who was present to give the Council some figures regarding same he said "there was only two points to consider getting rock to crusher and distance to hall same to streets if crusher is set at quarry rock could be put in bins in three sizes for from 20 to 30¢ per yd. the crusher would cost, that would crush from 12 to 18 tons per hour $1500. the matter was finially left to some future time for final action.

Ordinance No. 41 taken from table. Engineer reported slight change in Harrison Street as it turned north at the City Hall. On motion by Mullan, second by Lehman, ordinance No. 41 for improvement of Harrison Street was laid on table till next meeting. Motion carried.

Councilman Stockton reported as to fumigation of Auxier house.

Councilman Kelso spoke concerning notices given to parties regarding cesspools &c. Mr. Moffitt asked exemption from sewer assessments if the district takes care of its own sewerage. Matter was left with Health & Water Committee.

Councilman Lehman reported for finance committee and for himself, said he did not want a man of Mr. Denney's reported character to operate in Milwaukie. Councilman Mullan spoke in opposition to granting license or changing same from Gartton to Mr. Denney. On motion of Mullan, seconded by Kelso, application of Mr. Gratton to transfer his license to Mr. Denney was denied. Motion carried.

Petition of property owners on Front Street that said street be maintained at eighty feet and not reduced to sixty feet. Petition was referred to the Street Committee by the chair.

On motion by Kelso, seconded by Stockton, engineer was instructed to survey Front Street to the southern city limits. Motion carried.

On motion ordinance was ordered drawn and posted establishing grades on Front Street.

On motion by Lehman, seconded by Mullan, ordinance No. 43 was ordered changed so that crushed rock be used for the surface, same to be spread six inches below grade and ordinance was ordered posted and published as changed.

On motion of Lehman, seconded by Kelso, recorder was instructed to purchase necessary books for keeping records of the town.

The matter of salary for the recorder was brought up by councilman Lehman. The matter was referred to the Finance Committee by the chair

On motion, engineer ordered to make survey from Harrison Street to Palm Avenue and thence to easterly city limits.

Mr. Roberts requested the opening of Scott Street in Quincy Addition at its intersection with the Foster Road. The marshall was instructed on motion by council to open said street. On motion and request of property owners, Main Street ordinance was ordered changed to include the improvements of said street to the north city limits.

On motion, council adjourned to May 28.

W. E. Thresher,
Recorder protem.
