FINANCE Committee reported that it was satisfactory with said committee to transfer the liquor license now held by Arrighi & Marracci to A.C.Ulrich. On Motion the license was ordered transferred from Arrighi & Marracci to A.C.Ulrich and the accompanying bond furnished by A.C.Ulrich be accepted and placed on file.

FINANCE Committee was instructed to make necessary arrangements with the First State Bank of Milwaukie for the storage of the City Records and books in the vault of the bank.

FINANCE Committee reported that in their opinion that the Recorders salary should be based on a fee system but that they had not completed the base of rates. The committee was instructed, by the Mayor to make a complete report at the next meeting.

The HEALTH AND WATER Committee reported that it was agreeable to the committee that the District known as the Scott District, on the North City Limits be exempt from the sewer ~~system~~ assessment at the present

Proposed Ordinance No.45 was read and a motion was made to lay same on the table by Councilman Kelso 2nd. by Stockton when the question was put by the Mayor Councilman Lehman took the floor and objected to the ordinance being laid on the table and in part said "that it looked very much as if someone wanted to kill the Ordinance and that in his opinion the people of Milwaukie wanted some such ordinance passed by the Council, however he would not object to having the ordinance referred back to the Committee to be revised" the question was called and resulted in a tie vote the Mayor was not certain and asked for a canvassed vote to be taken vote stood Kelso "no" Stockton "yes" Mullan "no" Lehman "no" the motion was lost On motion the ordinance was referred to the Council as a whole to be revised by them and the City Atty. the motion carried.

STREET Committee reported that but one bid had been received for the improvement of Washington St., and that same was rejected some disscussion then arose regarding the specifications and if it would not be advisable to macadamize only part of the street the matter was left to the Street Committee.

JUNE 14th.1910(CONTINUED)

STREET Committee reported that if City purchase a street roller that it be of not less than ten tons weight and of a kind that would be of and give the best service. After hearing the opinions of different road roller agents present the Council decided to advertise for bids, and on motion the Recorder was instructed to advertise for bids for a Road Roller of not less than ten tons weight and of eather steam or gasoline motive power, motion carried.

On motion by Councilman Mullan seconded by Kelso the Recorder was instructed to officially notify the Portland Ry.Light & Power Co. to remove all trackage owned by them from Main Street at once as the City was going to improve same.

On motion meeting adjourned.

E. H. Dowling

Recorder of Milwaukie, Oregon.
