Local Leader: Enriching Milwaukie Through Neighborhoods and the Arts

Denise Emmerling-Baker and her Jack Russell terrier, Jackie Chan.

Community passion is a rare feeling, but for Milwaukie resident Denise Emmerling-Baker it's a way of life. Often seen at community events or City Hall with her trusty companion, a Jack Russell terrier named Jackie Chan, she has become involved in a number of projects and programs over the past several years. With her unique spirit, Denise got her start by voicing her support to City Council for the passage of Milwaukie's mural code, which made way for the mural on Milwaukie High School near the Main Street Max Station. Afterwards, she quickly filled an open spot on the city's arts committee, artMOB, and found herself helping with events like First Friday, the autumn Scarecrow Contest, Umbrella Parade and more.

"It's exciting to see how the power of art brings joy, color and flavor to the city. We see this through art receptions, art exhibitions in businesses, murals, and more and more artist booths at First Friday," Denise said. "The artMOB team is a wonderful mix of talented people working on a variety of projects—grant funding, coordinating art events and social media, and seeking additional opportunities to curate art at more local businesses. We're even organizing music and dance performances!"

Denise is also volunteering with her neighborhood district association (NDA)—Historic Milwaukie—to help organize clean-ups and plantings, speak about issues of concern to the neighborhood, and sponsor citywide events.

Her passion for the environment has led her to advocate for chemical and pesticide-free landscapes in the community, including the nearby creeks and rivers. "Milwaukie is such a walkable city with lovely green spaces for dogs and children, and I want it to be as safe as possible for them," said Denise.

Denise Emmerling-Baker with master calligrapher Ma Weihua during a recent community event for the visiting artist she helped coordinate through artMOB.

Denise feels the city has a lot to offer and it'll only get better with more public involvement. "Milwaukie is a precious jewel with a beautiful riverfront, creeks, many old-growth trees, a darling downtown and friendly community. The city is growing just like the rest of the Portland Metro area, so people need to stay involved to help guide the growth in positive ways. We all benefit as the city continues to build on the friendly, artistic and sustainable vibe that is already so apparent."

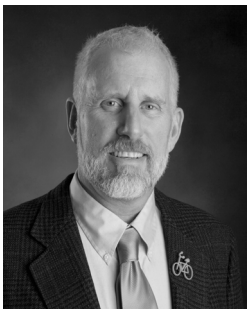
Important Upcoming Urban Renewal Meetings

On **Tuesday, July 12 at 6:30 p.m.** at City Hall (10722 SE Main Street), the Planning Commission will review the proposed Milwaukie Urban Renewal Plan, including its relationship to the Comprehensive Plan, and make a recommendation to City Council.

Following this meeting, City Council will hold a public hearing and consider an ordinance for the adoption of the proposed Milwaukie Urban Renewal Plan on **Tuesday, Aug. 2 at 6 p.m.** at City Hall. The proposed maximum indebtedness for the urban renewal plan is $92.5 million. The ordinance, if approved, is subject to referendum. The adoption of the plan may impact property tax rates for general obligation bonds approved by voters prior to Oct. 6, 2001. The projected impact of these increased bond rates on a property taxpayer for the three years of the bond payments is a total of approximately 14 cents per $100,000 of property value.

For more information about urban renewal or to request documents related to these meetings, please visit www.milwaukieoregon.gov, or contact Denny Egner, planning director, at 503-786-7654 or egnerd@milwaukieoregon.gov

Planning with Safety in Mind



Mayor Mark Gamba

As a child growing up in a small town, I loved riding my bike to school. It was not only a wonderful period of freedom, but I was outside, breathing fresh air and getting exercise. As it turns out, those are things that are good for kids and particularly good for kids about to learn.

In the North Clackamas School District, children living within a mile of the school are not bussed to school and for many the only option is a short car ride and a long wait in the drop off line in front of the school where dozens of other parents are sitting in their idling cars waiting to drop off their kids. For many, this is because there are no sidewalks and bike lanes between their home and school so walking or riding a bike would be dangerous.

Over the last year, our Public Safety Advisory Committee in conjunction with our Planning and Engineering departments have been looking into the lack of sidewalks and bike lanes around schools and other popular destinations and they have established a plan that Council will discuss with the budget committee on July 19. My hope is that we will come to a decision on how to move forward in a concrete way.

City Council will discuss plans for safer routes to schools and other popular destinations in town on July 19.

For decades, Councils have agreed that we need to build more sidewalks and bike lanes. Please come support this Council to make a decision that will actually cause that to happen.

This month's City Council Column is written by Mayor Mark Gamba. To contact Mayor Gamba, please call 503-786-7514 or email gambam@milwaukieoregon.gov.

During the month of July, City Hall, in coordination with artMOB, will host the third annual "Art to End Alzheimer's" exhibit with a portion of the sales benefitting the Alzheimer's Association. The pieces on display orginate from a number of local artists, including friends of artMOB members and artists participating in the art program at Willamette View, an independent, not-for-profit senior living community.

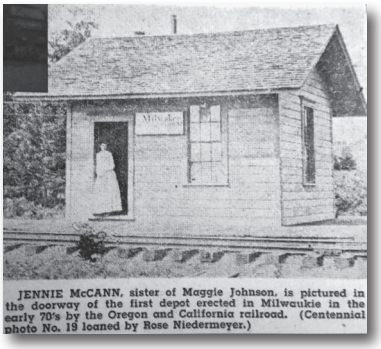
The Oregon & California Railroad



JENNIE McCANN, sister of Maggie Johnson, is pictured in the doorway of the first depot erected in Milwaukie in the early 70's by the Oregon and California railroad. (Centennial photo No. 19 loaned by Rose Niedermeyer.)

The train track running from Purdy's Car Wash, over Oak Street, and along Railroad Avenue, which is owned today by Union Pacific, can see freight and passenger trains alike on any given day. It was also the original location of the Oregon & California Railroad.

The Oregon & California Railroad (O&C) was the first railroad to connect Oregon with California. Construction of the line began in Portland during the spring of 1868. Under the leadership of transportation tycoon Ben Holladay, railroad workers, many of them Chinese, extended tracks to Oregon City in 1869, Salem in 1870, and Roseburg in 1872. After a long hiatus due to a lack of funds, the O&C line was finally extended to the California border in December 1887, by which time, the railroad had been taken over by the California-based Southern Pacific Company.

For more information about trains, transportation or anything else, please visit the Milwaukie Museum (3737 SE Adams Street) on Saturdays from 1-5 p.m. The community is also welcome to attend monthly historical meetings, every second Tuesday of the month, starting at 3:30 p.m. at the museum. Code Corner: RVs & Garage Sales

Summer is the time for lots of garage sales and recreational vehicles around town.

Please be aware that city code prohibits the parking of motorhomes, travel trailers, and boats in the right-of-way, which includes the street and gravel shoulder on the side of the street. Please park these vehicles in your driveway.

Garage sales are allowed in the city as long as they do not exceed 72 hours and aren't held more than twice in a calendar year. Also, please do not put signs for the sale in the right-of-way or on utility poles—this is a violation of the city's sign code.

If you have questions, please call Tim Salyers, code enforcement coordinator, at 503-786-7409. Enjoy your summer!

Council Adopts 2017-18 Biennial Budget

On June 7, City Council adopted the 2017-18 biennial budget as approved by the city's Budget Committee. The budget is balanced at $115 million and covers the next two fiscal years. The 2017-18 budget maintains a similar level of municipal services as the prior year budget, while planning for anticipated growth. Of the $115 million, $33 million is budgeted for salaries and benefits for the city's 143 full time equivalent positions, $24 million is for materials and services, $2 million is for the payment of debt on the city's existing outstanding obligations, $10 million is for interfund transfers, $34 million is for capital projects, vehicles, and equipment, and $12 million is for reserves held for future projects, contingencies, and emergencies. The approved budget can be accessed online at **www.milwaukieoregon.gov/finance.**

9K for K9 Walk on July 9

Yago, a male German Shepherd, and his partner Officer Les Hall.

The community is invited to bring themselves and their four-legged friends to this year's 9K for K9 Walk, a fundraising event benefitting the Milwaukie Police Department's (MPD) K-9 unit. The event is held on **Saturday, July 9 from 9 a.m. to 5 p.m.** at the Milwaukie Marketplace, just off the Milwaukie Expressway between SE Oak Street and SE 37th Avenue.

The walk is coordinated by the Milwaukie Public Safety Foundation, a nonprofit that raises funds to support and build awareness about the importance of Milwaukie having a trained K-9 officer. In 2015, proceeds from the walk purchased a new $1,100 ballistic vest for the city's K-9 tracker, Yago. This essential piece of equipment protecting Yago is both bulletproof and stab-proof, and covers the dog's vital organs, just like their human partners.

The first leg of the walk begins at 9 a.m., the second begins at 10 a.m., and the third leg starts at 11 a.m. The raffle for a great selection of prizes will be drawn after the last leg of the walk. Registration is $25 per person through July 8. Registration on the day of the event is $30.

For more information, please visit the Milwaukie Public Safety Foundation at **www.milwaukiepsf.org**. For other questions or concerns, please visit **www.milwaukieoregon.gov/police** or call the MPD's business line at 503-786-7400.

Clackamas Fire Staff Obtain Prestigious Credential

Clackamas Fire is proud to recognize two Fire Inspectors for obtaining an esteemed credential within the field. Fire Inspectors are located within the Fire Prevention Division at Station 3 in Oak Grove and Station 14 in Boring. Deputy Fire Marshal Lieutenant Shawn Olson and Fire Inspector Alex McGladrey have met the requirements to become a Certified Fire Investigator (CFI) through the International Association of Arson Investigators. The credential is extremely difficult to obtain, and they are the first two in Clackamas Fire history to receive this level of certification. The CFI certification requires a minimum of five years of experience as a fire/arson investigator, to include: structure and vehicle fire investigations, fire death investigations, processing and handling physical evidence, documenting fire scenes, formal interviewing, and expert courtroom testimony. Additionally, CFI requires over 350 hours of tested training and education that culminates in an exhaustive comprehensive examination.

Their Rights, Your Voice

The Office of the Long-Term Care Ombudsman is currently accepting applications for volunteer ombudsmen in Clackamas County. This department advocates for the rights of Oregonians living in licensed long-term care and residential facilities. Their mission is to enhance the quality of life; improve the level of care; protect individual rights and promote the dignity of each Oregon citizen living in a long-term care facility. They ensure that the concerns of residents of long-term care and residential facilities are heard and addressed.

The Long-Term Care Ombudsman Program is a free, confidential advocacy program available to residents, families, facility staff and the public. Ombudsmen advocate for residents of nursing facilities, residential care and assisted living facilities, and adult foster care homes. Complaints are investigated and resolved by professional ombudsmen and trained volunteers assigned to facilities.

The need for volunteer ombudsman in Clackamas County is great. Only 29 percent of the 84 nursing facilities, assisted living facilities and residential care facilities have an ombudsman assigned to them, leaving many vulnerable residents without the advocacy and protection they need.

The Office of the Long-Term Care Ombudsman provides volunteers with training, certification and continuing support. To see how you can make a difference, call 800-522-2602 or visit **www.oregon.gov/ltco**.

LAKE ROAD

Wed, Sep. 14 @ 6:30 pm • Rowe Middle School

Thank you to all who have come to the neighborhood meetings to participate in democracy with a small "d" and eaten pizza!

The NDA has distributed grants to many fine causes over the last year. A recent grant given to the food bank was doubled thanks to Bob's Red Mill. Lake Road also donated money to Rowe Middle School for the school supplies locker, the police banquet, and several great community assistance programs working to feed and house those who are less fortunate.

At the NDA elections, Vincent Alvarez became the new neighborhood chair, taking over for Debbie Patton. Thank you Debbie for the many years of leadership you have provided the neighborhood! Lake Road will take a summer break and hold its next meeting in September. Hope to see you at the Farmers Market, library, First Friday and the Movie Night on Aug. 6 held in partnership with the Historic Milwaukie neighborhood.

It can be easy to forget what a vibrant community we have in Milwaukie. Appreciate all it has to offer, and consider serving in your NDA or one of the many boards that serve the community that help give the town its unique character. I, for one, am glad to call it my home.

Neighbors Working Together

Milwaukie has seven Neighborhood District Associations (NDAs) that meet monthly to discuss ideas and issues, and work on community projects. If you live, own property or a business, or represent a non-profit in one of them, you are a member. Participation is free and there is funding available to accomplish the group's goals. So how do you get involved?

Attend a meeting: Everyone is welcome and it requires no commitments. Just bring an open mind and creativity!

Become an Officer: Positions include Chair, Vice-Chair, Secretary, Treasurer, Land Use Committee member(s), and the NDA's representative on the Public Safety Advisory Committee (PSAC). Here are just a few great reasons to become an officer:

- Volunteer right in your own neighborhood.
- Build your resume with experience and skills in leading effective meetings, event planning, bookkeeping, taking minutes, and more.
- Opportunity to meet and learn alongside other community leaders.
- Get to know local law enforcement, elected officials, city staff, and other notable people.
- It is a great first step to eventually serving on a board, commission, or committee, or even City Council!

To learn more, visit www.milwaukieoregon.gov/citymanager/get-involved-your-neighborhood or contact Jason Wachs, community program coordinator, at 503-786-7568 or at wachsj@milwaukieoregon.gov.
