Mr. Kemmerer reported that he and other members of the Council had made a survey of the street and that in his opinion, the west end was not in condition to be accepted by the Council as water running down the hill would soon cause expense to the City, and suggested that suitable gutters to carry off the water, be put on each side of the road.

It was moved by Walden and seconded by Kemmerer that the City purchase a map of Portland Metropolitan Area at a cost of $17.50. Motion carried and so ordered.

(Cont'd)

It was moved by Makin and seconded by Kemmerer that Section 5 of Ordinance 425 be amended by substituting the words and figures "One Hundred Dollars ($100.00)" for the words and figures "One Hundred twenty-five dollars ($125.00)." Officers Burbank and Rigdon stated that considering the great amount of time put in by them in keeping the Bus zone clear and in preventing accidents at the zone that they did not believe either $100.00 or $125.00 was sufficient. After considerable further discussion Makin stated that his idea was that he did not want to put any burdens on any Bus Company, although admittedly $100.00 did not cover the City's expense. The vote on the amendment was taken with the following results: Ayes: Kemmerer, Makin, and Walden. Nays: None. The amendment was declared adopted. Buses.
