RESOLUTION NUMBER 28-1971

A RESOLUTION DESIGNATING ONE-WAY STREETS IN THE CITY OF MILWAUKIE.

WHEREAS, it has been proposed by the administration of the City of Milwaukie that certain streets in the business district of the city be designated as one-way streets to better control the movement of vehicular traffic, and

The proposal having been reviewed by the department officials for the city and been accepted and approved by each department interested, and

The proposal having been presented at a meeting of businessmen in the area to be regulated and having been generally approved by those present, and

The Council for the City of Milwaukie having determined that it would be for the welfare of the citizens of the city and create more favorable traffic conditions within the downtown area to designate certain streets in the business district of the city as streets to be used by vehicle traffic traveling in a single direction,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Milwaukie:

1. That Main Street south of its intersection with Jackson Street and north of the intersection of Lake Road and 21st Street be designated as a thoroughfare on which vehicular traffic shall travel only in a southerly direction.

2. That Monroe Street east of its intersection with McLoughlin Boulevard and west of its intersection with 21st Street be designated as a street on which vehicular traffic shall travel only in an easterly direction.

3. That Jefferson Street east of its intersection with McLoughlin Boulevard and west of its intersection with 21st Street be designated as a street on which vehicular traffic shall travel only in a westerly direction.

Be it so resolved.

Introduced and adopted by the City Council on the 20th day of September, 1971, at a special meeting of the City Council.
