

**CITY OF MILWAUKIE
CITY COUNCIL EXECUTIVE SESSION
FEBRUARY 24, 1999**

Mayor Tomei called the executive session to order in the Public Safety Building Community Meeting Room following the end of the work session.

Present were the Mayor and Councilors Kappa and Lancaster; City Manager Bartlett; Assistant City Managers Richards and Bennett; and City Recorder DuVal.

Bartlett advised the City Council that a parcel was on the market that was included in its long-term goals. Funds were available for this parcel by re-prioritizing current projects. Bartlett noted that an appraisal had been completed on this property previously and the purchase delayed.

The Mayor and Councilors directed Bartlett to prepare a Resolution so that Council could decide the issue on March 2, 1999.

The executive session adjourned at 9:15 p.m.
