

RESOLUTION NO. 36-1989

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MILWAUKIE, OREGON ACCEPTING THE FINAL ENGINEER'S REPORT FOR SANITARY SEWER IMPROVEMENTS IN THE STANLEY AVENUE AREA LOCAL IMPROVEMENT DISTRICT.

WHEREAS; The Council directed staff to have prepared a preliminary engineering report.

WHEREAS; The Council adopted the preliminary engineering report by Resolution No. 26-1987.

WHEREAS; The Council by Ordinance No. 1635 directed the improvements be made in accordance with the plans and specifications contained within the preliminary engineering report as may be amended throughout the hearings process, and that the amended plans and specifications be submitted in the form of a final engineering report.

WHEREAS; The improvements have been completed, final plans and specifications have been completed, and a final accounting has been completed making it possible to submit the final design and final costs.

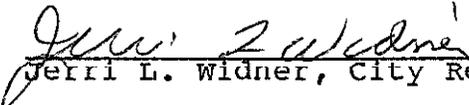

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Milwaukie that:

The Council reviewed the final engineering report, and the Council accepts the final engineering report including the plans and specifications and final costs.

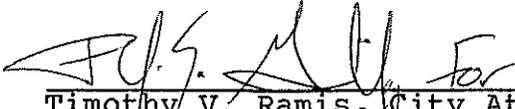

Introduced and adopted by the City Council on November 21, 1989.
