Using Lighting and Materials to provide a story and points of interest along the heritage walk and Anchoring Adams Street with the history and essence of Milwaukie

adams street connector

Design of the lanterns is inspired by Anchoring Adams Street to the context and materials of the nearby landscape

beacon – lantern design

LED lighting with various colors
Punched image panels

beacon – lantern design

historic themes and images

transportation

river and creek

industry

culture /
significant
events

historic themes and images

To provide both everyday interest, and special seasonal or weekly public event space

beacon – lantern design

I believe history is what makes it the present. Without history we have no past or future. It is through our past that we have a better future. I would like to see us honor our past and the individuals that gave us our future.

- Milwaukie Story submission
