COUNCIL CHAMBERS

721st MEETING

The seven hundred twenty-first regular meeting of the Council was held on the twenty-eighth day of March, 1949.

The meeting was called to order by Mayor Sperr.

Present: Mayor Sperr, Councilmen, Taylor, Mortensen, Frady, and Norbeck; Manager Taber, Attorney Kirkpatrick. Absent: Recorder Martin.

MEETING OF MARCH 28, 1949
Cont'd.

The minutes of the seven hundred twentieth regular meeting of the Council were approved as written.

Upon the request of the Mayor for visitors comments, John Walker Jones, speaking for a group of residents in the vicinity of 34th Street and Wister, protested the moving of the old Roberts Barber Shop, to lots 13 and 16, Block 16, Quincy Addition, unless satisfactory proof that the building would be re-built in compliance with the City Building and Zoning Codes.

Upon motion by Norbeck seconded by Frady, the following motion was unanimously passed, that Mr. Lemly be granted permission to move said building providing satisfactory plans and specification be furnished to the City Manager together with a bond, in the amount of \$1,000.00 to the effect that the remodeling be complete within 120 days and in accordance with plans specifications and sketches as shown.

Mr. Baker of the Baker Mathews Company of Portland, Oregon, presented to the Council a program supported by a blank contract, regarding the placing of trash receptacles upon the down town business streets. He explained that these receptacles would be placed with no cost to the City, that advertising panels on the same would pay the entire cost of purchase, installation and servicing.

It was moved by Frady, seconded by Mortensen that the city enter into an agreement with the Baker Mathews Company for a six month trial period, with the stipulation that they place not less than six cans on the street, within a period of thirty days and that the Mayor be authorized to sign such an agreement. Motion carried and so ordered.

Attorney William Charack appearing for ^{de}Fernand Hoesly asked that the curb line on the south side of Jackson Street between Main Street and 21st Street be left as is, and that any proposed widening of Jackson Street be made on the north side of the same. After considerable discussion and study of a map prepared by City Manager Taber, a motion was made by Frady seconded by Sperr, that the curb at the southeast corner of Jackson and Main, remain as is and that Jackson east of Main be widened to conform with Jackson westerly. Motion carried and so ordered.

Upon motion by Taylor, seconded by Mortensen, Ordinance 523 was taken up and read for its 1st reading and passed to the second reading, AN ORDINANCE, prohibiting parking on certain streets within the City of Milwaukie between the hours of 2 A.M. and 6 A.M. and providing a penalty for the violation thereof.
