Town Hall, Milwaukie, Oregon, March 13th. 1923.

The two hundred fifty-second regular meeting of the Council of the Town of Milwaukie was held on the 13th day of March, 1923. Meeting called to order by Mayor Cowell. Present, Mayor Cowell, councilmen, Miller, Kerr, Johnson, McIntyre and Riley, Recorder Mathews, Treasurer Streib and Marshal Keck. The minutes of the two hundred fifty-first regular meeting of the Council held on the 20th day of February, were read and approved as read. Upon motion duly made and carried, W. T. Augustine was allowed \$10.00 per month for the use of his automobile in connection with his work as Street and Water Supt. Upon motion of councilman Miller duly seconded and carried, the Mayor was instructed to appoint W. T. Augustine Deputy Marshal. Upon motion duly made and carried, ordinance No. 186 entitled, "An ordinance establishing the grades on 31st Street from the south line of Elmer Street, to a point 433 feet south of the south line of Sellwood Street; and repealing all ordinances and parts of ordinances in conflict herewith" was read and ordered posted as required by the City Charter. Upon motion duly made and carried, ordinance No. 187, entitled, "An ordinance establishing the grades on Harrison Street from the east line of 34th Street to the west line of 42nd Street", was read and ordered posted as required by the City Charter. Upon motion duly made and carried, ordinance No. 188, entitled, "An ordinance regulating the parking of automobiles; taxicabs, auto-trucks and auto-busses on the streets of the Town of Milwaukie, Oregon, and repealing all ordinances and parts of ordinances in conflict herewith," was read and ordered posted as required by the City Charter. A communication from L. S. Kaiser, Supt. of Water Bureau of Portland, Oregon, requesting the Town of Milwaukie to construct a reservoir sufficient to hold three or four days supply of water in case of emergency was read and referred to the Water Committee. A petition of some of the residents on 32nd and 30th Streets against moving the arc light from 32nd street was read, and upon motion duly made and carried, the matter of moving the arc light from 32nd street and installing new arc lights was laid on the table indefinitely. The Mayor and Recorder reported that they had interviewed several accountant firms in order to get an estimate of the probable cost of auditing the City Books and that the best offer they had was from A. C. Chambers who agreed to work for 85 cents per hour. Upon motion duly made and carried, Mr. A. C. Chambers was employed to audit the books at 85 cents per hour, and the Mayor was instructed to help Mr. Chambers get started on the books. Upon motion duly made and carried, the Mayor was instructed to look after the purchasing of the material and supplies for the City. Mayor Cowell reported that he had interviewed the County Health Officer in regard to unloading and spreading manure in East Milwaukie, and the Health office advised him that while the odor from the manure was sometimes offensive to the smell it was not detrimental to health, and that he did not believe they could be stopped from unloading the manure. The Health Officer also advised him that manure left in piles was sometimes detrimental to health and that the Town could pass an ordinance providing that manure must be kept in covered boxes.

There being no objections filed against the improvement of 31st Street and Harrison Street, upon motion duly made and carried, the Recorder was instructed to prepare ordinances providing for the improvement of said streets and post the same as required by the City Charter. The City Engineer having filed with the Recorder plans and specifications for the improvement of 29th Street, as petitioned for, and estimates of the work to be done and the probable cost thereof, and said plans and specifications and estimates being satisfactory to the Council, upon motion duly made and carried, the following resolution and notice for the improvement of 29th Street was adopted as read: RESOLUTION AND NOTICE FOR THE IMPROVEMENT OF 29TH STREET IN THE TOWN OF MILWAUKIE, OREGON.

Whereas, pursuant to an order of the Council of the Town of Milwaukie, Oregon, heretofore made, the City Engineer has filed his report, and filed in the office of the Recorder of the Town of Milwaukie, Oregon, plans and specifications for an appropriate improvement of 29th Street according to the petition heretofore filed, together with an estimate of the work to be done and the probable cost thereof, And

Whereas, said plans, specifications and estimates are satisfactory to the Council of the Town of Milwaukie: Therefore Be It Resolved that said plans, specifications and estimates be and the same are hereby adopted and approved.

And Be It Further Resolved that it is the purpose and intention of the Town of Milwaukie by its Council to make said improvements, being described as follows, to-wit:

- (1) That said street be improved from and connect with the present improvement of Washington Street, thence northerly to connect with the present improvement in Harrison Street.
- (2) That said street shall be graded for its full width; street to be sub-graded along the center line to allow for a minimum depth of six (6) inches of pit run gravel, minimum width of gravel to be twelve (12) feet wide; the street along the center line shall be subgraded to allow for said gravel,

if the full amount that the street may be bonded for will allow said sub-grading. Addition gravel to be spread, if the full amount that the street may be bonded for will allow the same.

(3). Cement concrete sidewalks four (4) feet wide, four (4) inches thick and eighteen (18) inches from the center lines shall be constructed on both sides of the street and connecting with the existing concrete sidewalks, except, that wooden sidewalks 4 feet in width may be substituted over filled ground, if the City Engineer thinks it to be advisable.

(4). Gutterlines to be fifteen (15) feet from the center of said street.

(5). Provision to be made for such wooden crosswalks and such drainage as the City Engineer shall deem necessary.

(6). All car tracks on said street shall be improved by bringing said tracks to the final grade, by using gravel or other suitable ballast; by replacing all defective ties with new ones and planking the entire area between the rails and for a width of one (1) feet on the outside of rails.

All work to be done in accordance with the plans and specifications heretofore filed with the recorder and adopted by this resolution.

Remonstrances against said improvement may be filed with the Recorder in writing on or before the 10th day of April, 1923.

The Recorder is hereby directed to cause this resolution and notice to be posted as required by the Charter of the Town of Milwaukie, Oregon. The Report of The State Fire Marshal was read and ordered referred to Fire Committee. Upon motion duly made and carried, Mr. Fields was authorized to remove the trees from 40th Street, between Harrison and Jackson Streets. The question of purchasing a fire gong was left with the Fire Commission. Upon motion duly made and carried, the insurance on the East Milwaukie fire Station was cancelled. Upon motion of councilman Miller and duly second and carried, the Street Committee was instructed to rent the East Milwaukie Fire Station for the highest rental obtainable. The following bills were read and allowed by the Finance Committee and upon motion duly made and carried, the Recorder was instructed to draw warrants in payment of the same:
