MEETING OF MAY 9, 1955

COUNCIL CHAMBER

868 th MEETING

The eight hundred sixty-eighth regular meeting of the Council was held on the ninth day of May, 1955

The meeting was called to order by Mayor Mullan.

Present: Mayor Mullan; Councilmen Shook, Clay, Klein and Wright; Attorney Kirkpatrick and Recorder Martin.

The minutes of the eight hundred sixty-seventh regular meeting of the Council, held on the twenty-fifth day of April, 1955 were approved as written.

A letter from the Milwaukie Planning Commission, was read. The Letter stated that public hearings had been held on the matter of a change of Zone from 3 R-2 Special Zone to Commercial Zone, for Lots 3,4,5,6 and 7, Block 1 Leo's First Addition, that the Commission had made investigation and recommended that these lots be changed from Zone 3 R-2 Special to Zone 1, Commercial. The Mayor called for objections to the proposed zone change. Mr. Howard Hamlin objected, stating that more commercial use of the property would increase traffic which was already becoming dangerous and congested. Mr. Hamlin stated that the residential area adjacent to the property represented much more property value, and requested that the Council postpone their decision until their next meeting.

Mr. Louis Shindler, owner of adjacent property spoke favorably to the change, stating that by the location of these lots they were business property and that he had no objection to the zone change.

Mr. and Mrs. Best, owners of Lots 5 and 6, Block 1, Leo's First Addn. stated that the property was surrounded on three sides with Industrial and Commercial zoned property, that it was no longer suitable for residential use and that on account of Mrs. Best's health they would like to sell but could not sell as long as the property remained in a residential zone.
