

MEETING OF SEPTEMBER 26, 1955

877th MEETING

The eight hundred seventy-seventh regular meeting of the Council was held on the twenty-sixth day of September, 1955/  
The meeting was called to order by Mayor Mullan.  
Present: Mayor Mullan, Councilmen Shook, Clay and Klein;  
Manager Burdick, Attorney Sheldahl and Recorder Martin.

The minutes of the eight hundred seventy-sixth regular meeting of the Council, held on the twenty-second day of August, 1955, were approved as written.

Mr. Ray E. Mackenzie, from the Waverly Heights District, came before the Council and stated that they were faced with the problem of sewage disposal. Mr. Mackenzie stated that while he was not representing Waverly Country Club, that the Club was also concerned in the matter, and that the Waverly Heights outfall sewer now crossed the Golf Club property to the river. Mr. Mackenzie was making inquiry as to if or not Waverly Heights could empty into the City Sewage Disposal plant and if or not their trunk line could be connected into the City intercepting sewer without the use of a pump. After some discussion it was decided that Manager Burdick make complete investigation with Mr. Mackenzie and the Engineer.

Mr. Wm. Lubersky, Attorney for Pendleton Woolen Mills came before the Council and stated that Pendleton Woolen Mills had acquired land adjacent to and south of their property, owned at the time the agreement regarding the City's sewer easements was made in July, 1955, and requested that a similar agreement be made with regard to the sewer easements through their new acquired property. It was moved by Klein and seconded by Clay that the City accept an agreement with Pendleton Woolen Mills, protecting the City's easements for intercepting and outfall sewers along the property recently acquired by Pendleton Woolen Mills and that the Mayor be authorized to sign the same providing it is similar to the agreement covering the City's easement right through the property to the north executed in July 1955. Motion carried and so ordered.

An Application for recommendation of a 1955 Class "A" Dispensers License (Liquor by the drink) was laid before the Council by Mal A. and Winifred E. Rolfson, to be used at Mac's Pit, Washington Street at McLaughlin Blvd. The Council laid the application on the table, until the next meeting of the Council in order that Councilman Clay may make investigation and recommendation.
