

Council Chambers, City Hall
Milwaukie, Oregon
June 26, 1933.

A special meeting of the Council of the Town of Milwaukie was held on the 26th day of June, 1933, at the Council Chambers, City Hall, pursuant to a call for a meeting duly made by Mayor Miller. Present, Dean, Dell, Sanders, Shrock and Walsh.

Mr. Kinney, owner of property just east of 29th and Harrison Streets, stated that he had paid an assessment on the Milwaukie Sanitary Sewer but that the sewer was 130 feet away from his property line. He stated that the Town would either have to extend the sewer so that he would not have to go to great expense to connect it with his property or return his money, or he would have to sue the Town.

The Recorder advised that Mr. Kinney probably would not be successful in a law suit. Mr. T. A. Long stated that he was in the same position as Mr. Kinney. Finally, after much discussion, Mr. Kinney and Mr. Long stated that they and other property owners would extend the sewer at their own expense if the Town would contribute \$50.00 towards paying the cost of the sewer pipe.

Upon motion duly made and carried it was ordered that Mr. Kinney, Mr. Long and the other property owners be allowed to extend the sewer at their own expense and the Town contribute \$50.00 towards the cost of the sewer pipe for such extension.

No further business coming before the meeting. Upon motion duly made and carried the meeting adjourned.

Recorder.
