SPECIAL MEETING OF OCTOBER 29, 1956

A special meeting of the Council was held at the call of the Mayor, and for the purpose of opening bids for the construction of curbs, sidewalks and driveways along 21st Street from Jefferson Street to Lake Road, was held on the twenty-ninth day of October, 1956

The meeting was called to order by Mayor Mullan.

Present: Mayor Mullan, Councilmen Shook, Klein, Perkins and Clay, and Manager Burdick.

The following bids for the curbs, sidewalks and driveways along 21st Street, from Jefferson Street to Lake Road, were opened and read:

Pelton Concrete Construction, Inc.	\$4,820.75
Zuber Bros.	4,895.20
Perkins Bros.	4,514.95
Cooley-Wolsborn Construction Co.	4,120.65
Pacific Concrete Co.	6,447.01
Funston Construction Co.	6,290.65

The bid of Cooley-Wolsborn, in the amount of \$4,120.65 appeared to be the lowest, and upon a close examination of the figures submitted in the break-down, it appeared doubtful if the bid was sufficient to insure first class work.

It was moved by Perkins and seconded by Shook that the City Manager require of Cooley-Wolsborn, a list of jobs completed by them in the last two years, and that they be checked on as to the quality of work performed and if the owners were satisfied with said work, and if there be a reasonable doubt in the minds of the Mayor and the City Manager, that said bid be rejected and the job be awarded to the next low bidder, and that the Mayor be authorized to sign the contract with the accepted bidder. Upon vote the motion carried.

There being no further business to come before the Council at this time, the meeting adjourned.

Earl S. Burdick
Earl S. Burdick, Acting Recorder.
