It was moved by Klein and seconded by Shook that the Council approve the plan as presented, and that Manager Burdick be authorized to write a letter to Pendleton Woolen Mills to this effect. Manager Burdick recommended to the Council that the water pump, in the City's well in Milwaukie Industrial Park, be removed and stored in the storage building at 40th and Harvey Streets, for proper care and safe keeping. The Council approved that this be done.

A statement of the condition of the Bonded Liens was laid before the Council. The statement showed a total of unpaid assessments in the amount of \$1361.91 and an accrued interest of \$553.90. The Council ordered that the Recorder send written notices to the effect that these delinquent assessments must be paid by December 31, 1955.
