Why does the City of Milwaukie have parking enforcement?

Milwaukie's parking enforcement came about as a request from downtown business owners, who were concerned that their customers did not have adequate and convenient parking. When employees use on-street parking rather than lots, customers have difficulty finding parking spaces. Additionally, enforcement is necessary to prevent the downtown from becoming a park and ride for Portland-bound commuters.

Where should I park?

- Customers should park on-street
- Downtown employees are encouraged to use the permit parking lots and the north and south ends of Main Street's on-street parking spaces. Also, ask your employer if they have a shared parking agreement with another business.
- Residents may park on-street in observance of posted signage.

How do I get a permit?

Permits are only available to employees of Downtown Milwaukie businesses. Applications are available at City Hall, by visiting <http://www.milwaukieparking.com>, or by calling toll free 1-877-794-1125. (Be sure to have your employer's contact information with you for the application.)

Parking Permit Fees

Monthly	\$25
Quarterly	\$70
Semi-Annual	\$125
Discount for Bulk Pass Purchase (>10)	10%
Replacement Pass (each)	\$5

What is the block rule?

Parking more than once in the same block is prohibited in the Milwaukie Municipal Code. Where signs designate maximum parking time limits, movement of a vehicle within a block shall not extend the time limits for parking. A block is defined as all four sides or streets surrounding or encompassing a plot of land, including any adjacent street across from the block originally parked in.

See graphic:

After the posted time limit has passed **do not park in the RED lined areas.**
