

# Moving Forward Milwaukie Project Open House

**Wed., Oct. 29<sup>th</sup>, at 6 p.m.**  
**Milwaukie Masonic Lodge**  
**10636 SE Main St.**

Draft code amendments have been prepared that will shape the look of downtown Milwaukie over the next 20 years.

Please attend and ask questions, make comments, and/or offer suggestions!

The amendments are a product of the Moving Forward Milwaukie project, and address things such as how Downtown buildings look, what types of businesses can occupy them, and how new development is reviewed, all of which when taken together aim to encourage the kind of and development projects the community supports.
