

2 Councilor Batey: Still much to accomplish

3 Police Officer Cloyes on Downtown beat

FOLLOW THE CITY!

♦ MILWAUKIE'S LOCAL LEADERS ♦

## Volunteers fuel the fire

On Oct. 12<sup>th</sup>, the Milwaukie Center and the group of volunteers who fuel its Emergency Firewood Program - a program that donates wood to moderate income seniors and persons with disabilities - will be awarded a Governor's Volunteer Award.

The Milwaukie Center social services staff has coordinated the firewood program for 23 years and makes wood available to residents within the North Clackamas Parks District who use wood as their primary or supplemental source of heat.

The firewood program relies on the manpower of eight men who volunteered over 675 hours last year splitting, cutting and stacking the donated firewood. The Milwaukie Center receives donated firewood from various sources including Clackamas Parks, North Clackamas Parks District, Tri-Met light rail project, City of Milwaukie, City of Happy Valley, property owners and two local arborists.

The donated wood is moved, split and stacked by retired volunteers - a very labor-intensive task completed by older volunteers. Last year, 78 people received the seasoned firewood.

To learn more about this program, or about volunteering to support it, please call the Milwaukie Center at 503-653-8100.

## More food carts in Milwaukie?

More than 50 people came out to a special City Council forum on Sept. 22<sup>nd</sup> to weigh-in on the idea of allowing food carts on publicly-owned land in Milwaukie. Council will resume the conversation at its Oct. 6<sup>th</sup> Work Session, at 4 p.m. in City Hall.

Mobile food carts are currently allowed on private property.

Forum attendees voted in support of having carts on public property at about a 3 to 1 ratio, and of the 228 people who answered the on-line poll question of "Should the City of Milwaukie allow food cart pods on publicly owned land on an interim basis?", 193, or 85%, said carts should be allowed.

Among the publicly-owned sites under consideration: the vacant city-owned

PLEASE SEE CARTS, ON PAGE 2

## Save More Milwaukie

Milwaukie is a proud participant in the *Drive Less Save More: Milwaukie* campaign – an effort to provide residents with tips and tools to help them walk, bike, use transit and share rides around Milwaukie, Oak Grove, and beyond.

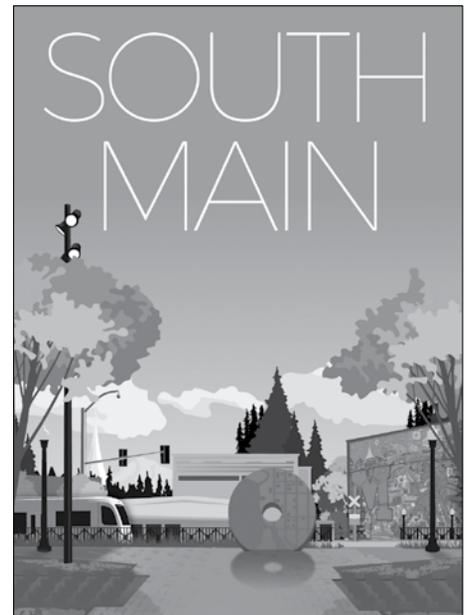

To learn more visit [www.MilwaukieOregon.gov/DriveLess](http://www.MilwaukieOregon.gov/DriveLess) or participate in one of these upcoming events!

### Johnson Creek Watershed Nature Walk

Sat., Oct. 3<sup>rd</sup>, 10:30 a.m., Milwaukie Riverfront Park

Learn about native plants and their role in creating wildlife habitat and supporting a healthy, resilient ecosystem. Join us for the walk and get a FREE umbrella!

(Portland Bridges Master); Chris Haberman

5:30 p.m. - City Hall Sculpture Garden

Unveiling of Three New Sculptures

5:45 p.m. - First Friday Oktoberfest Party

## Still much to accomplish

This month's Councilor Column is written by Councilor Lisa Batey. To contact Lisa, call 503-786-7512 or email her at [bateyl@milwaukieoregon.gov](mailto:bateyl@milwaukieoregon.gov).

October is my tenth month serving on the Council. Lots of late nights of meetings and reading and no fun when citizens get angry with you. But overall, it's been rewarding to serve on a team with the Mayor and other Councilors and staff to move important projects forward.

Among the accomplishments this year was passage of the two-years-in-the-making downtown code revision. Such code projects, and major infrastructure projects like the Monroe Street Greenway, appropriately involve extensive public outreach and hearings.

But we haven't made as much progress as I had hoped on the goals we established this spring. They're all big items - library expansion, urban renewal, transportation infrastructure, removal of Kellogg dam - which will take more than one or two years to accomplish. But I do worry that we detract from our work on these important goals by spending inordinate amounts of time on smaller issues, like parklets or food cart pods.

Your Council members do not always agree - that is healthy and should give comfort that issues get fully vetted. Moreover, you can rest assured that we are all devoted to improving both the vitality of downtown and livability in our neighborhoods. Can projects like parklets or food carts go wrong? Sure, there's some risk to almost any change. But the risk is generally small and such initiatives can be relatively easily corrected, if need be.

Let's not sweat the small stuff. We not only monopolize limited Council time by focusing too much on such small projects, but more importantly, we tie up staff time that could otherwise be devoted to our big, transformational, goals.

October also brings the end of First Fridays and the Farmers Market for 2015. But the winter need not be a dormant period. How about a friendly holiday decorating competition between the neighborhoods? The possibilities are endless. . .

## School district seeks input

North Clackamas Schools is seeking input from community members about proposed bond projects for the November 2016 General Election. The proposal will include projects for school repairs, safety and enrollment growth.

The forums will include a discussion on the future of Milwaukie High School's original 1925 building and how to best respond to several issues, including small classrooms with obstructed views, narrow and poorly-lit hallways, and structural issues in case of earthquake. Can the facility be remodeled or should it be replaced?

The district is hosting a series of community forums starting in October and running through mid-November. Comments can also be emailed to [bondinfo@nclack.k12.or.us](mailto:bondinfo@nclack.k12.or.us) and an online survey is available at [www.nclack.k12.or.us/bondinfo](http://www.nclack.k12.or.us/bondinfo).

The community forum dates in Milwaukie are:

- First Friday in Milwaukie on Fri., Oct. 2<sup>nd</sup>
- Family Movie Night at Wichita Center, Oct. 9<sup>th</sup>
- Milwaukie High: Oct. 12<sup>th</sup>, 4 & 6:30 p.m.
- Hispanic evening at Milwaukie High: Oct. 19<sup>th</sup>, 6 p.m.
- Rowe Middle School: Oct. 28<sup>th</sup>, 6:30 p.m.

Childcare and interpreters will be available at all meetings.

SAVE MORE FROM PAGE 1

### Farmers' Market Family Bike Ride

Sun., Oct. 11<sup>th</sup>, 10:30 a.m., Oak Grove Elementary

Meet at Oak Grove Elementary in the parking lot in the southeast corner, just across from the Trolley Trail. All riders will receive a complimentary set of bike lights!

### Milwaukie Art Walk with the artMOB!

Sun., Oct. 25<sup>th</sup>, 11 a.m., Milwaukie City Hall

Please join us for a special walking tour of public art with artMOB! Free coffee and hot chocolate will be provided!

CARTS FROM PAGE 1

lots next to the Main Street MAX station and at the corner of McLoughlin Boulevard and Washington Street. Key questions to be considered moving forward include who would oversee the pod's operation, who would pay to install necessary utilities, and how would trash and security be addressed.

## City readying for the future

The package of downtown zoning and code amendments City Council passed as part of the Moving Forward Milwaukie: Enhancing Our Commercial Districts project go into effect Oct. 31<sup>st</sup>, opening the doors to new uses and a streamlined process that will facilitate community-supported development.

Before Council approved the Moving Forward package on Sept. 1<sup>st</sup>, there were five zones in downtown Milwaukie, each with very specific requirements for and limitations of the types of businesses that could locate there. Businesses on Main Street were limited to restaurants and retail.

Now there are two zones with standardized use allowances that include offices, services, such as yoga studios and watch repair, and mixed-use development with residential components.

“By providing greater flexibility for new and existing businesses, we are removing some of the barriers that businesses seeking to locate or expand in downtown Milwaukie,” said Senior Planner Li Alligood.

## Linwood community day a hit

More than 35 people turned out at Linwood Community Day on the morning of Aug. 29<sup>th</sup> to help improve the grounds of Sojourner and Linwood Elementary before enjoying a community BBQ and social.

Volunteers rebuilt the frontage of Stanley Park, removed invasive vines, picked up trash, and weeded and mulched the park and neighboring elementary school campus.

“A BIG thank you to the Linwood Community that came out last month,” said Linwood Neighborhood Chair Zac Perry. “Collectively we worked to

beautify Stanley Park and clean up the Linwood/Sojourner campus. It was so great to catch up with old friends and meet new neighbors.”

## Center a focal point for community

The Milwaukie Center is a focal point for recreation, learning and senior services. A few of the October happenings include these classes and day trip.

Cultivating Joy – Joy can be rediscovered through the concept of motion creating emotion; by allowing our minds and bodies the opportunity to play we can rewire our responses.

Tiny Tots Creative Dance – One of the Center’s many after-school classes

Hood River Harvest Festival – October 16<sup>th</sup>. The Milwaukie Center’s travel program takes weekly excursions throughout NW Oregon.

Go online at [ncprd.com/milwaukie-center](http://ncprd.com/milwaukie-center) or call 503-653-8100 for more classes, events, and services.

### The Chief’s Corner

Written by Steve Bartol, Chief of Police

Well, it’s finally here! Light rail is up and running.

As you are aware, we have been working with our public safety partners in the region to make sure that the system is implemented smoothly and safely.

One of the things we have done that we are really excited about is bringing back Officer Dan Cloyes from retirement to work an old-school foot patrol in the downtown core.

Dan has over 20 years of experience as a Milwaukie Police Officer and his wide variety of experiences make him the perfect fit for this position. Dan has shown time and again over the last 20 years that he is a true community police officer. I believe you will enjoy having him around again. If you see him on the street, make sure to stop and say hello.

### The City Code Corner

Written by Tim Salyers, Code Compliance Coordinator

Commonly, I get complaints that trees are overhanging from a neighboring property. I also hear about neighbor’s trees damaging driveways.

These types of issues are a civil matter between the two neighbors, not code violations. If you are having similar struggles with your property or your neighbor there may be some help for you. Clackamas County Dispute Resolution Services can try and get you and your neighbor at a table and try to work out your problems through mediation. If that doesn’t work you may want to check out a book called Neighbor Law. You can check it out at the Ledding Library.

If you have questions about this, or other matters, call me at 503-786-7409 or email me at [salyerst@milwaukieoregon.gov](mailto:salyerst@milwaukieoregon.gov).

## A founding father's tree

Written by Greg Hemer, Milwaukie Historical Society

A tree stands strong and majestic in the middle of Grace Point Church auxiliary parking lot on 42<sup>nd</sup> Avenue and Monroe Street. It is a Plum Beech and is over 100 years old. The Plum Beech tells more than a story than its large canopy, but is a direct descendant to Milwaukie history.

The tree was planted by Owen Roberts in the early 1900's, according to his granddaughter Nancy Bauer. He bought his land in the then Minthorn Spring neighborhood, which was advertised as the most glorious place to live outside of Portland. Owen Roberts had a huge impact on Milwaukie. He was a blacksmith and foreman of the car barns for the Portland to Oregon City trolley line.

In 1903, the year Milwaukie was incorporated, Owen Roberts was elected to the first common council and was then elected by his fellow councilors as the first Council President. He was instrumental in crafting much of Milwaukie's early policies. When he passed, all Milwaukie businesses closed and flags flew at half-mast.

To learn more about Owen Roberts visit Milwaukie Museum on Saturdays between 1 and 5 p.m. Also, join the Milwaukie Historical Society on Oct. 13<sup>th</sup>, 3:30 p.m. for our Historical Society Meeting. This month's guest speaker is a direct descendant of the Wise family - original builders and owners of Milwaukie Museum building.

## City Recorder recognized

For more than 30 years City Recorder Pat DuVal has served Milwaukie, and not just in a her official capacity, but as a resident participating and contributing to community events.

On Sept. 15<sup>th</sup> Pat's service was recognized when she was awarded the President's Award of Distinction by her professional organization, the Oregon Association of Municipal Recorders (OAMR). The President's Award of Distinction is awarded to an OAMR member who has contributed greatly to a committee of OAMR or has performed exceptional work for OAMR.

The City could give her the same award for her contributions to Milwaukie.

## Fire District open houses

By FRED CHARLTON, FIRE CHIEF

October is Fire Prevention Month! Milwaukie City Council will be reading the Fire Prevention Proclamation at the upcoming meeting on Oct. 6<sup>th</sup>.

Remember that every bedroom needs a working smoke alarm. Smoke alarms should be installed inside and outside every bedroom and sleeping area. Install alarms on every level of the home, including the basement.

Remember that if a smoke alarm sounds, get outside and stay outside. Respond quickly. Get low and go. Know two ways out of every room, get outside quickly, and go to your outside meeting place with your family. Once you are safe outside, call 911!

During October, Clackamas Fire hosts open houses in different areas. Citizens are encouraged to visit the stations during these times to take tours and learn fire and life safety information.

- Oct. 24<sup>th</sup>, 1 to 3 p.m., Station 3 (2930 SE Oak Grove Blvd.)
- Oct. 31<sup>st</sup>, 1 to 3 p.m., Station 2 (3200 SE Harrison Rd.)

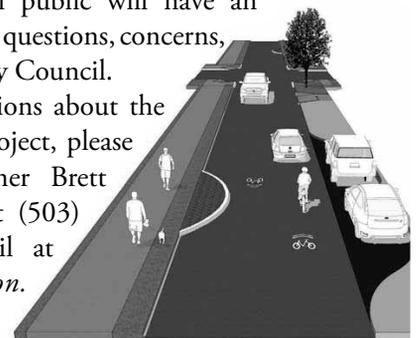

## Council to review Monroe Street Greenway Concept

City Council will consider the proposed Monroe Street Neighborhood Greenway Concept Plan and hold a public hearing on Tues., Nov. 3<sup>rd</sup>, at 6 p.m. at City Hall.

Neighborhood Greenways are low-volume, low-speed routes that provide safe, quiet routes for motorists, pedestrians, and bicycles. The councilors have considered the range of comments that have been received by staff at the various public workshops held throughout the course of the Monroe Street project, but they are interested in hearing directly from the public before making a decision about adopting the proposed Concept Plan.

City staff will make a very brief presentation and then members of the general public will have an opportunity to share their questions, concerns, and suggestions with City Council.

If you have any questions about the hearing or the overall project, please contact Associate Planner Brett Kelter can by phone at (503) 786-7657 or via e-mail at [kerverb@milwaukieoregon.gov](mailto:kerverb@milwaukieoregon.gov).

## Youth Music Project, art, film, poetry & more!

All programs are FREE. To view all programs, visit [www.milwaukieoregon.gov/library](http://www.milwaukieoregon.gov/library).

### Children's Program Highlights

Sat., Oct. 24<sup>th</sup>, 2 p.m., Ledding Library: The Youth Music Project will bring a variety of instruments for kids to try. Ages 5 & up.

Sat., Oct. 31<sup>st</sup>, 2 p.m., Ledding Library: Halloween Party! Magician Bob Eaton presents non-spooky magic for kids of all ages. Costumes welcome.

### Adult Program Highlights:

Thur., Oct. 1<sup>st</sup>, 7 p.m., Pond House: Ledding Cultural Forum: Kat Sloma presenting on capabilities and benefits of mobile photography (*right*).

Sat., Oct. 3<sup>rd</sup>, 2 p.m., Ledding Library: First Saturday Music Series: Ellen Whyte and Jean-Pierre Garau. Presented by the Friends of Ledding Library (*right*).

Mon., Oct. 5<sup>th</sup>, 7 p.m., Pond House: Artist Reception featuring Fred Swan (*right*).

Thur., Oct. 15<sup>th</sup>, 6:30 p.m., Pond House: Foreign & Indie Film Night: showing the Iranian film *Men at Work* in Farsi with English subtitles. This film tells the hilarious story of four old friends who, driving back from a failed skiing trip, encounter a strange and enormous rock.

Sat. Oct. 17<sup>th</sup>, 9 a.m. to 4 p.m. & Sun. Oct. 18<sup>th</sup>, 9 a.m. to 2 p.m., Pond House: Christmas in October Jumble Sale. Start your Christmas shopping early at the Friends' 6<sup>th</sup> Annual holiday merchandise sale.

## Haberman at City Hall

Chris Haberman is a nationally acclaimed painter, writer, muralist, curator and musician, born and raised in Milwaukie, will have samples of his work for sale at Milwaukie City Hall for the months of October and November. From affordable T-shirts and mural "place-mats" to original paintings for gifts and for your own collection, this is a show you will not want to miss.

Chris will be at a reception at City Hall on Fri., Oct. 2<sup>nd</sup>, at 5 p.m.

## MILWAUKIE BUSINESS SPOTLIGHT

Elie Cole, who is one of only 11 people in the country to be accepted into the Doctor of Acupuncture and Oriental Medicine degree (DAOM) program at the Oregon College of Oriental Medicine, opened the Nourishing Medicine Clinic at 2403 SE Monroe Street in Milwaukie earlier this year. Elie will graduate with a doctorate degree in August of 201 - only 1% of American acupuncturists currently hold a Doctoral degree in Chinese medicine.

Her clinic provides high quality acupuncture and Chinese herbal therapy. Elie says she moved to Milwaukie, and opened her business here, because she views it as "an up and coming" community.

Hours of Operation: Mon. - Fri., 9 a.m. - 6 p.m.  
P) 503-860-8998 W) [www.nourishingmedicine.com](http://www.nourishingmedicine.com)

**E**ach Neighborhood Association has a Land Use Chair monitoring applications the City receives. To help track the process, these are upcoming Land Use/Development Review hearings, and Planning

Commission (PC) Agenda items. Dates are subject to change. Check the City's website for details.

- Oct. 13 - Neighborhood Main Street (NMS) Code Amendments
- Oct. 27 - King Road subdivision, NMS second hearing

## → ARDENWALD/JOHNSON CREEK ←

### NEXT MEETING INFORMATION:

**MON., OCT. 26<sup>TH</sup>, 6:30 P.M. • LIZ'S CREATIVE CAFE**  
BY JEFF DAVIS, CHAIR

It's October in the Ardenwald-Johnson Creek Neighborhood and that means the Davis Graveyard Halloween display is up all month on the corner of SE 43<sup>rd</sup> Avenue and JCB. We have also resumed our meetings the fourth Monday of each month at Liz's Café on SE 32<sup>nd</sup> at 6:30 p.m.

The Davis Graveyard will be setup Wed., Oct. 1<sup>st</sup>, with lights from dusk to 10 p.m., Monday through Thursday.

The Graveyard will feature special effects (sound, video, fog, animations) each Friday, Saturday, and Sunday from dusk to 11 p.m., 10 p.m. on Sundays.

The annual Open House at the Graveyard is Sun., Oct. 11<sup>th</sup> from 11 a.m. to 5 p.m. Take a look behind the scenes and meet the people who helped create the display. The Milwaukie High School thespians troupe will perform their "zombie hunter" scenes and will sell snacks and beverages, as well as accept donations to help raise money for the troupe.

SE 43<sup>rd</sup> Avenue between Johnson Creek Boulevard and

Roswell will be closed during the event. The thespian troupe will be back on Halloween night, Sat., Oct. 31<sup>st</sup> to provide hot beverages and snacks and to perform the "zombie hunter" scenes one more time. The same road closure on SE 43<sup>rd</sup> Ave. between JCB and Roswell will be in effect for safety.

## LAKE ROAD

### NEXT MEETING INFORMATION:

**WED., OCT. 9<sup>TH</sup>, 6:30 P.M. • ROWE MIDDLE SCHOOL**  
BY GWENN LAUBACH ALVAREZ, SECRETARY

"A fallen leaf is nothing more than a summer's wave goodbye." As I write this, we drew the curtain on Summer 2015 and welcomed Autumn. What this brings to mind are city-wide leaf pick-ups (in November), pumpkin patch visits, and the annual scarecrow competition at City Hall. Once pristine sidewalks and driveways are now blanketed by leaves, seemingly overnight!

Perhaps you've noticed that a neighbor's yard is in need of some assistance from that leaf blower of yours – all you have to do is offer 15 minutes of your time – and the whole neighborhood benefits from your kindness. This simple act not only improves the street's aesthetic; you have also relieved our storm water drains of possible blockage, which can become a safety issue with standing water – affecting walkers and vehicular traffic.

**EVENT:** On Sept. 29<sup>th</sup> members of the Neighborhood Association spent a delightful evening at the Rowe Middle School Open House. We to met with students and families, enjoyed cider and chatted about how we represent the neighborhood. A presentation of our quarterly donation of school supplies for students in need will also be on display for all to admire.

**NEW ADDITION:** Recently our pocket park on the corner of Bowman and Brae received some new fencing and is gaining popularity as an open space for autumn sky viewing, along with the chance pheasant and hare sighting.

**PREPARE:** October is National Fire Prevention month – check your smoke detectors, clear away any combustibles from around the water heater, and clean those dryer vents

**COMPLIMENTS, SUGGESTIONS, CONCERNS:** Lake Road is the arterial connection to the MAX Line, as well as to the SE Park Station via Oatfield Road; Drop by our meeting on the 9<sup>th</sup> of October – 6:30 p.m. – in the Rowe Middle School library. Pizza and a lively discussion are on the menu!

## HECTOR CAMPBELL

### NEXT MEETING INFORMATION:

**MON., OCT. 12<sup>TH</sup>, 6:30 P.M.**

**PUBLIC SAFETY BUILDING**

BY LINDA HEDGES, **SEC./TREAS.**

Most of the time these Neighborhood articles report on events that occurred or will occur in our neighborhood, exhort our neighbors to attend our monthly meetings and encourage community members to obey traffic laws, to be aware of our children playing outdoors and invite participation in committees, boards or projects that seek improvement for our city.

While these messages are important,

this month let's honor some of those nameless, yet heroic, people who improve our city without fanfare or recognition.

The people who haul 5-gallon water containers around downtown to water the plants in the parking strips.

The people who pick up trash as they do their daily walk around the neighborhood. Those who keep their front gardens neat and tidy.

Those who decorate their homes with seasonal displays of lights, wreaths, pumpkins and flags.

Those who volunteer to deliver Meals on Wheels to the homebound in our community. Those who deliver pounds of vegetables and canned goods to the

Food Banks.

Those who pick up after their dogs. Those who volunteer to read with children at our schools.

These quiet acts of compassion, respect and spirituality are not attended with fanfare and photo ops. They aren't "signature events" that draw regional acclaim. They are, instead, the bricks and mortar that have built our community and which exemplify true community service.

These are the heroes of our community. To all those whose every day small unacknowledged acts of kindness make life better for us all, thank you for all that you do.

## LINWOOD

### NEXT MEETING INFORMATION:

**THURS., OCT. 8<sup>TH</sup>, 6:30 P.M.**

**LINWOOD ELEMENTARY**

BY ZAG PERRY, **CHAIR**

Fall is officially here - our concerns should focus on the safety of others in our community. Kids in our neighborhood are going to be making efforts to walk and bike to school - and by now you should be seeing our young ones waiting for bus service near major corners of connection.

We've been aware of them for some time now, but keep in mind that it's harder to see them on these darker,

rainy mornings. And with some of the drainage problems on our side streets, water can create barriers for them to navigate, proving more difficult for them to take advantage of the right-away access.

Knowing all of this, please follow the speed limits in your neighborhood and drive at a reasonable and prudent speed based on the light and weather conditions. Give these kids a 'brake,' as they are the future of our community.

Join the neighborhood discussions and get involved at our next meeting.

Anyone who lives in, owns a business, or owns a rental house in Linwood is welcome to participate.

## ISLAND STATION

### NEXT MEETING INFORMATION

**WED., OCT. 21<sup>ST</sup>, 6:30 P.M. \* GRANGE**

BY GINDY MIGUEL, **CHAIR**

October should prove exciting as Island Station Neighbors enjoy the long-awaited construction of the Spring Park renovations that are underway. This work will realign the walking path to Elk Rock Island, enhance the native plantings and provide many added capital improvements.

Additionally, adjoining Spring Park, 19<sup>th</sup> Avenue is now a potential site for greater sustainability as the city considers making it a Woonerf street design project.

Our Oct. 21<sup>st</sup> NDA meeting will be devoted to this project as design concepts will be presented by city staff and neighbors will have the opportunity to ask questions, provide comments and recommendations that will best serve our community. This is a topic that our neighborhood has been dealing with for a long time. We hope that folks will contribute to this important meeting.

My tremendous thanks to those who served so many hours in recent months to really give our little neck of the woods better livability and beauty!

## LEWELLING

### NEXT MEETING INFORMATION:

**MON., OCT. 12<sup>TH</sup>, 6:30 P.M.**

**POND HOUSE**

BY BRYAN TROTTER, **CHAIR**

I wish to extend my sincere thanks to all of the neighbors that supported the concert series last month, as well as to the many people who donated food. We received 163 pounds of canned goods which was donated to the Oregon Food Bank.

This month we will finalize our plans for the Adopt-A-Road cleanup, which is scheduled for the morning of Oct. 17<sup>th</sup>. Come meet your neighbors at Ball-Michel park and spend a few hours cleaning our neighborhood. Light refreshments as well as gloves and safety vests will be provided.

We will also have an update from the Public Safety Advisory Committee (PSAC) to learn how it is working to improve pedestrian, bike, and ADA access in Milwaukie.
