WE WANT TO HEAR FROM YOU!

The City is working to create a Downtown Wayfinding Systems Plan—a system of directional signs, maps, and gateways to help designate downtown and guide visitors to local destinations.

Our design team incorporated ideas and feedback from more than 250 Milwaukie residents in order to produce a set of refined design options.

Join us to provide feedback on the refined designs and on proposed sign locations.

We look forward to hearing from you!
Light refreshments will be served.
