*"Dogwood City of the West"*

**Ordinance No. 2090**

**An ordinance of the City Council of the City of Milwaukie, Oregon, amending Milwaukie Municipal Code Chapter 3.25.070B to revise the allocation of delinquent utility service payments among the City's utility service funds**

**WHEREAS**, Milwaukie Municipal Code Chapter 3.25.070 specifies the allocation of delinquent utility service payments among the City's utility service funds in specific reference to the Street Maintenance Fee; and

**WHEREAS**, the existing allocation disproportionately applies bad debts to the water fund; and

**WHEREAS**, reallocation of utility service payments equally to the water fund, stormwater fund and wastewater fund would not adversely affect the City's ability to use water service shut off as a means of utility service payment collection.

**Now, Therefore, the City of Milwaukie does ordain as follows:**

Section 1. Chapter 3.25.070B of the Milwaukie Municipal Code is amended to:

B. In the event funds received from City utility billings are inadequate to satisfy in full all of the water, sanitary sewer, storm sewer, and street maintenance fees, credit shall be given to the street maintenance fee, sanitary sewer service charges, storm sewer service charges, and water service charges proportionately.
