

ORDINANCE NO. 86.

June, 1913, E... nance establishing the curb lines of Front Street.

He does ordain as follows:

That the curb lines of Front Street between the north
city limits and the south corporate limits be and the same are

established as follows:

From the north corporate boundary, said boundary being one hundred
and one (101) feet north of the center line of Scott Street, to
the center line of Jackson Street that the east curb line be and is
established at twenty-three (23) feet from the center line of
Front Street.

The west curb line of Front Street from the above named north

city boundary to its crossing with the street railway track,

said crossing being thirty (30) feet north of the north line of Jack-
son Street, be and is hereby established at twenty-three (23) feet
from the center line of said Front Street.

The east curb line of Front Street from the center line of Jack-
son Street to a point forty (40) feet south of the south line of Mad-

ison Street be and is hereby established at twenty-five (25) feet

from the center line of said Front Street; thence on a curve to the

center line of said Front Street with a radius of one hundred thirty-two (132) feet for a dis-

tance of ninety-four (94) feet to a point, said point being in the

center line of Front Street; from the last named point to the south

city boundary that the east curb line of Front Street ^{be} and is

established on the center line of Front Street.

The west curb line of Front Street from its crossing with the

street railway track, said crossing being forty (40) feet north

of the north line of said Jackson Street, to a point forty-eight (48)
