

Monroe Street Neighborhood Greenway Concept Plan

Public Workshop Meeting #1

Wednesday, December 3, 2014

6:00pm to 8:00pm

Community Meeting Room at Public Safety Building (3200 SE Harrison St)

PRIMARY MEETING OBJECTIVES

- Introduce and explain the project to the community
- Meeting participants help problem-solve to identify potential improvements

Other objectives:

- Make clear the **future opportunities for input** on the Monroe Street Neighborhood Greenway Concept Plan
- Explain **what a neighborhood greenway is**
- Introduce the members of the **Project Advisory Committee (PAC)**

Agenda

- 6:00pm Welcome** (*Wilda Parks, PAC Chair, with Brett Kelver, Project Manager*)
- Brief explanation of the project (what we are trying to achieve)
 - Project timeline, opportunities for input, PAC member introductions
 - Agenda review
- 6:20pm The Monroe Street Neighborhood Greenway** (*Catherine Ciarlo and Sharon Daleo, CH2M Hill*)
- What is a neighborhood greenway?
 - The tools available for making improvements
 - Overview of existing conditions and potential improvements for each segment
- 6:45pm Question & Answer Period**
- 7:00pm Breakout Session to Present the Potential Improvements**
- Maps for each segment are at tables around the room—visit them to make comments and share ideas about the proposed changes to Monroe Street
- 7:45pm Reconvene to Summarize the Breakout Session**
- 8:00pm Adjourn** (*Wilda*)
