RESOLUTION NUMBER 8-1925

Whereas, the City of Milwaukie by a vote of its taxpaying Citizens voted a bond issue of the sum of \$30,000.00 for the purpose of improving the streets of our city with hard surface pavement,

And Whereas, the County Court was willing to co-operate with us in this project by doing this work at cost of material and labor plus 10% for wear and tear of machinery,

And, whereas, this cost was much below the regular contract price, which enabled the City of Milwaukie to do much more paving for the money expended than could otherwise have been made possible.

BE IT THEREFORE RESOLVED, that the Council tender a vote of thanks and appreciation to the County Court of Clackamas County, and also to Mr. W. H. Counsell, County Road Supervisor, and to Mr. Milln, City Engineer, for the splendid services they have rendered the City of Milwaukie in the completion of this good work.
