Dear Sir:

I wish to commend you on the wonderful improvement, that you have developed in the Milwaukee Fire Department in the last year. You have good cooperation, harmony and a well organized department among your men.

The interest the boys take in their work and the way they drill is a credit to any department. As I see them they are as good or better than any of the departments under my supervision.

You have this cooperation and support from the men that work with you, they can not help but make a good showing in the fire service. The citizens of Milwaukee must be proud and appreciative the good work done by the fire department that you have given them under your command.

Truly yours,

(Signed) Howard Gill
