RESOLUTION NUMBER 4, 1950

WHEREAS, by action of the Federal Communications Commission the Metropolitan Portland Area has been denied television facilities by its action under the "freeze" order of the said Commission on the basis of congestion of television channels, and

WHEREAS, the City of Portland is the largest city in the United States that does not have television facilities, nor are such facilities available from other metropolitan areas, therefore no congestion exists in this area, and

WHEREAS, petitions have been circulated addressed to the Oregon Congressional delegation, and that the Council of the City of Milwaukie should join in such petition as well as a direct petition to the Federal Communications Commission, inasmuch as the lack of television facilities may well result in serious if not permanent injury to this area to compete with the principal rivals in the field of commerce, industry, and entertainment, now, therefore be it

RESOLVED, that the Council by this resolution endorse the efforts now being made to obtain television for the City of Portland and the area adjacent thereto, and be it further

RESOLVED, that the City Council does by resolution respectfully petition the Federal Communications Commission to authorize and permit applications to be made for the establishment of television facilities in the City of Portland, and that the current "freeze" on licenses be removed in so far as Portland Area applications are concerned inasmuch as no congestion exists in this area and that applications are made only for black and white television, and be it further

RESOLVED, that a certified copy of this resolution be addressed to Honorable Wayne L. Morse and the Honorable Guy Gordon, U. S. Senators for Oregon, and to the Honorable Walter L. Norblad, Representative from 1st District in Congress; and that also a copy be sent to Federal Communications Commission, Washington D.C. and that a copy be entered upon the minutes of this meeting.

ADOPTED THIS 27th DAY OF MARCH, 1950.

Fred Sperr, Mayor.

ATTEST:

Ellen Martin, Recorder.
