

RESOLUTION NUMBER 8-1925

Whereas, the City of Milwaukie by a vote of its taxpaying Citizens voted a bond issue of the sum of \$30,000.00 for the purpose of improving the streets of our city with hard surface pavement,

And Whereas, the County Court was willing to co-operate with us in this project by doing this work at cost of material and labor plus 10% for wear and tear of machinery,

And, whereas, this cost was much below the regular contract price, which enabled the City of Milwaukie to do much more paving for the money expended than could otherwise have been made possible.

BE IT THEREFORE RESOLVED, that the Council tender a vote of thanks and appreciation to the County Court of Clackamas County, and also to Mr. W. H. Counsell, County Road Supervisor, and to Mr. Milln, City Engineer, for the splendid services they have rendered the City of Milwaukie in the completion of this good work.

ADOPTED THIS 10TH DAY OF NOVEMBER, 1925.

RESOLUTION NUMBER 1-1926

Resolution of Intention,

WHEREAS, heretofore there has been filed with the Council a certain petition signed by the resident owners of more than one-fourth the area of the real property in the Town of Milwaukie, praying for the making of certain improvements by the laying of sewers, and WHEREAS, the Council of the Town of Milwaukie deems it expedient and necessary to grant said petition and make the improvement hereinafter described in the manner set forth, and has required from the City Engineer plans and specifications for an appropriate improvement and an estimate of the total cost of the work to be done, and WHEREAS, the City Engineer has heretofore filed said plans and specifications and estimates in the office of the Recorder; now, therefore,

BE IT RESOLVED BY THE COUNCIL OF THE TOWN OF MILWAUKIE, OREGON, that the aforesaid plans, specifications and estimates of the City Engineer now on file with the Recorder are found to be satisfactory and are hereby approved; and BE IT FURTHER RESOLVED that the Council does declare its intention of making the said improvement, the location and kind of said improvement being as follows:
