Mayor Batey called the meeting to order at 6:03 p.m.

1. CALL TO ORDER**A. Pledge of Allegiance.****B. Native Lands Acknowledgment.****2. ANNOUNCEMENTS**

Mayor Batey announced upcoming activities, including the Ledding Library's fall author series, a city manager open door session, a neighborhood hubs workshop, the city's Arbor Day event, a downtown Milwaukie trick-or-treat event, and an open house at the Wichita Center. **Stauffer** noted that October 17 was National Voter Registration Day.

3. PROCLAMATIONS AND AWARDS**A. None Scheduled.****4. SPECIAL REPORTS****A. North Clackamas School District (NCSD) Levy – Report**

Cindy Detchon, NCSD Assistant Superintendent, provided an overview of the district and the school funding local option levy that would appear on the November 7, 2023, ballot. If renewed by voters, the levy would continue to support teacher positions.

Council expressed support for the levy and the services provided by NCSD.

5. COMMUNITY COMMENTS

Mayor Batey reviewed the comment procedures and **Ober** reported there was no follow-up report from the October 3 comments.

Milwaukie residents **Elvis Clark** and **Florisa Trapp** were concerned about the diverter that had been installed at 42nd Avenue and King Road. They suggested a roundabout be built at 42nd Avenue and King Road and a four-way stop on Harrison Street.

Eugene Trapp, Milwaukie resident, asked when the city would resurface Harvey Street and expressed concern about the diverter at 42nd Avenue and King Road.

Leesa Graetrek, Milwaukie resident, encouraged the city to update the city's historic property inventory and prioritize historic preservation work.

Nicole Perry, Milwaukie resident, encouraged Milwaukians to support the NCSD levy.

6. CONSENT AGENDA

It was moved by Council President Nicodemus and seconded by Councilor Khosroabadi to approve the Consent Agenda as presented.

A. City Council Meeting Minutes:

1. September 5, 2023, work session,
2. September 5, 2023, regular session,
3. September 12, 2023, study session,
4. September 19, 2023, work session, and
5. September 19, 2023, regular session.

B. Resolution 50-2023: A resolution of the City Council of the City of Milwaukie, Oregon, acting as the Local Contract Review Board, reinstating a low-income housing water assistance (LIHWA) program agreement with Clackamas County for the extension of program funding to city residents.

C. Resolution 51-2023: A resolution of the City Council of the City of Milwaukie, Oregon, acting as the Local Contract Review Board, authorizing an increase in the project authorization for the new city hall improvements.

Motion passed with the following vote: Councilors Khosroabadi, Massey, Nicodemus, and Stavenjord and Mayor Batey voting “aye.” [5:0]

Mayor Batey announced that Council would proceed to hearing item 8. A. before the business items.

8. PUBLIC HEARING

A. Substantive Code Amendments – Ordinance, 2nd Reading

Mayor Batey called the continued hearing to order at 6:54 p.m. and explained that the voice vote on the ordinance on October 3 had not been unanimous and therefore a second reading of the title at a separate meeting had been required.

Ober read the ordinance one time by title only.

Stauffer polled the Council with Councilors Massey, Nicodemus, Stavenjord, and Khosroabadi voting “aye” and Mayor Batey voting “no.” [4:1]

Ordinance 2236:

AN ORDINANCE OF THE CITY OF MILWAUKIE, OREGON, AMENDING MUNICIPAL CODE TITLE 12 STREETS, SIDEWALKS, AND PUBLIC PLACES, TITLE 17 LAND DIVISION, AND TITLE 19 ZONING, TO MAKE CHANGES TO SELECT SECTIONS FOR THE PURPOSE OF CLARIFICATION AND IMPROVED EFFECTIVENESS (FILE #ZA-2023-002).MENDING VARIOUS PARTS OF THE MUNICIPAL CODE (MMC) AS NECESSARY TO FORMALLY RETIRE THE DESIGN AND LANDMARKS COMMITTEE (DLC) (FILE #ZA-2023-002).

Mayor Batey expressed support for the overall code amendments package and noted opposition to the change that allowed metal structures to be placed near property lines.

7. BUSINESS ITEMS

A. Bertman House Update – Report

Passarelli provided an overview of the house's history, the city's use of the site, and options for dealing with the house that staff had explored based on Council input.

Passarelli reported that it was staff's recommendation to deconstruct the house and build a new home for the Swift birds that lived in the house's chimney.

Councilor Massey, Passarelli, and Ober remarked on rehoming the Swifts and the Milwaukie Historical Society's interest in taking down the house so the property could be used for expanded outdoor activities.

Council President Nicodemus and Councilor Stavenjord supported taking the house down and rehoming the Swifts. The group remarked on the height of the proposed Swift tower home and noted regional Audubon Society resources for dealing with Swifts.

Mayor Batey expressed support for deconstructing the house and having another park property. **Batey** remarked on why Swifts do not build homes in all chimneys.

Ober noted next steps staff would take to surplus the property.

B. Equity Study Report and Workplan – Discussion

Sagor and Ober reviewed the city's diversity, equity, and inclusion (DEI) work since 2020, noting the creation of the Equity Steering Committee (ESC) and hiring staff to focus on DEI projects and issues.

Annette Humm Keen, principal with Keen Independent Research (KIR), reviewed the equity study project report, noting how the study had been conducted.

Nicole Yates, KIR consultant, discussed the demographics of study participants and how the study looked at disparities and perceptions of the city's hiring, procurement, and public engagement practices, and how the city provided specific services.

David Keen, KIR principal, provided an overview of the recommendations made by the study, including hiring and procurement process improvements.

Yates summarized the study's recommendations related to the delivery of services and engaging with and communicating to the public.

David Keen observed that Milwaukie was ahead of other larger cities in its DEI work.

Councilor Khosroabadi asked about the study's finding that larger utility customers were being undercharged. **Yates** confirmed the study's finding. **Passarelli and Khosroabadi** remarked on previous and ongoing efforts to adjust utility rate structures.

Councilor Khosroabadi appreciated that the study showed public support for city events and that city events were seen as open to all.

The group remarked on how the city could develop metrics to gauge community satisfaction for events and services.

Councilor Stavenjord and David Keen, noted that the study had not differentiated between types of positions at the city and whether an employee was on probation, and they agreed that the city should conduct a separation analysis and track hiring practices. They also remarked on improvements the city could make to track the diversity of subcontractors.

Council President Nicodemus, Ober, and Sagor commented on the city's plans to track the study's metrics over time and how to get more community members to engage and volunteer for events and projects.

Mayor Batey and Ober noted that the city had an incentive program for staff to learn other languages. **Council President Nicodemus** asked why native speakers of non-

English languages were required to test their fluency to receive the incentive and **Ober** suggested staff would provide more information on testing later.

The group thanked KIR for their work on the study.

Mayor Batey noted that agenda item 9. A. would be rescheduled to a future meeting.

Mayor Batey recessed the meeting at 8:16 p.m. and reconvened at 8:25 p.m.

B. Equity Study Report and Workplan – Discussion (continued)

Santoyo Gutierrez and **Ober** provided an overview of the equity focus areas staff would work on, including recruitment, hiring, and retention; communication, transparency, and storytelling; engagement pathways; equitable procurement; accessibility; and naming of spaces and places. **Santoyo Gutierrez** reported that the ESC had identified communication, recruitment, and engagement as top priorities.

Sagor described next steps staff would take to work on the focus areas and asked for Council feedback on the workplan.

Mayor Batey observed that hiring and retention should be prioritized. **Ober** and **Sagor** explained how the ESC had prioritized the focus areas.

Councilor Khosroabadi believed the naming of city facilities, improving procurement processes, and working on retention of employees should be prioritized. **Khosroabadi** believed Council staff reports should include an equity impact section.

Council President Nicodemus expressed concern about DEI work overburdening Black, Indigenous, and People of Color (BIPOC) ESC members and city staff. **Ober** and **Sagor** commented on how city staff, other city boards and committees, and the community would be asked to carry out the DEI work.

Santoyo Gutierrez observed that if developing a naming policy were to be prioritized, other ESC and DEI projects would have to be paused. **Ober** remarked on how the ESC would support the city's equity work.

Councilor Massey asked about the engagement pathways and recruiting youth volunteers. **Sagor** remarked on preliminary tasks staff would undertake to engage youth community members.

Councilor Stavenjard asked how the ESC had approached prioritizing the focus areas. **Sagor** suggested that the ESC had considered what the city could do and **Santoyo Gutierrez** thought the ESC had considered what could and should be done.

Councilor Stavenjard encouraged the city to install multilingual signage at city hall and remarked on the importance of figuring out how to engage youth community members.

Council President Nicodemus encouraged the city to ask youth community members about how the city could best engage with them.

Mayor Batey expressed support for the three focus areas prioritized by the ESC, noted staff's efforts to-date to engage with youth members, and remarked on the need for engaging with a more diverse range of community volunteers.

Mayor Batey and **Ober** noted that staff were working on improving the city's procurement processes through the acquisition of a new bid management system. **Ober** suggested that more information on procurement improvements would be available a year after the new system was implemented.

Mayor Batey commented on naming policies in other cities and noted that two of the city's new parks would be named without going through a process. **Ober** remarked on the timing of when a parks and facilities naming process could be developed and reported that the ESC was concerned about rushing the development process. **Sagor** observed that engaging youth should be part of the naming process.

Council President Nicodemus asked if the ESC were making recommendations on funding priorities. **Sagor** believed that involving the ESC was a good idea and staff would do so as the next budget was prepared.

Council President Nicodemus and **Ober** noted how neighborhood district associations (NDAs) were funded and how NDAs distributed grants to various community groups. **Sagor** reported that staff would be working with the NDAs to consider changes to how neighborhood programming is funded. **Councilor Stavenjord** agreed and remarked on how the NDA grant funding process could be improved. **Santoyo Gutierrez** noted that there were ESC members who were also involved in NDA processes.

Sagor noted next steps in working on the equity focus areas.

C. City Staff Strategic Plan Overview – Report (removed from the agenda)

Mayor Batey announced that the item would be rescheduled to a future meeting.

9. COUNCIL REPORTS

A. Flavored Tobacco Ban Support – Resolution

Mayor Batey explained that Council would consider the resolution at the November 7 meeting and that staff and Councilor Khosroabadi would work on refining the resolution language. It was noted that Council unanimously supported adopting a resolution in support of banning flavored tobacco.

10. ADJOURNMENT

Mayor Batey announced that Council would meet in executive session pursuant to Oregon Revised Statute (ORS) 192.660 (2)(h) to consult with counsel concerning the legal rights and duties of a public body with regard to current litigation or litigation likely to be filed.

It was moved by Council President Nicodemus and seconded by Councilor Massey to adjourn the Regular Session. Motion passed with the following vote: Councilors Khosroabadi, Massey, Nicodemus, and Stavenjord and Mayor Batey voting “aye.” [5:0]

Mayor Batey adjourned the meeting at 9:23 p.m.

Respectfully submitted,

Scott Stauffer, City Recorder

MINUTES

NOVEMBER 7, 2023

Council Present: Councilors Adam Khosroabadi, Robert Massey, Rebecca Stavenjord, and Council President Desi Nicodemus, and Mayor Lisa Batey

Staff Present: Jessalynn Gale, Children's Librarian
Justin Gericke, City Attorney
Brent Husher, Library Director
Kelly Lamm, Library Manager
Nicole Madigan, Deputy City Recorder
Ann Ober, City Manager
Natalie Rogers, Climate & Natural Resources Manager
Emma Sagor, Assistant City Manager
Scott Stauffer, City Recorder

Mayor Batey called the meeting to order at 4:04 p.m.

1. Building Energy Update – Report

Rogers reminded Council of the history behind the building energy discussion by noting the city's climate goals, state decarbonization regulations, and what the city had accomplished to date via resolutions. **Rogers** presented the current and ongoing decarbonization projects that involved community partnerships, state and federal funded projects and grants, and provided an update on the solar installation project for the city's Johnson Creek Building (JCB).

Mayor Batey and **Rogers** commented on the review process for the green tariff program through the Oregon Public Utility Commission (PUC) and what buildings would qualify to be reviewed under the building performance standards. The group discussed what block grants would be offered for and how funds could be distributed.

Rogers explained that Council had an opportunity to fund additional climate and energy work by increasing licensing and right-of-way (ROW) franchise fees for Portland General Electric (PGE) and NW Natural Gas. **Rogers** noted an increase in fees to utility providers were often passed onto utility customers. The group discussed the difference between licensing and franchise fees, adoptions of fees, how fees were passed onto customers, and if other utility companies could have their ROW fees increased.

Rogers presented new ideas for development incentives and a building emission regulation program that were still being developed. **Ober** noted concerns around the city enforcing building emissions.

Rogers asked how Council would like staff to proceed. The group discussed how to have flexibility in setting fees without being locked into multi-year rates and that a conversation on how the city could collect fees to generate funds would be occurring at the November 14, 2023, special session.

Councilor Stavenjord was interested in collaborating on initiating forward action from the Clackamas County Board of Health around environmental health hazards. The group discussed ways to collaborate.

There was Council interest and consensus in continuing the conversation around funding climate work.

2. Library Board – Annual Report

Husher introduced members of the Library Board, explained that library operations and attendance were returning to normal pre-COVID levels, noted that the library serves about 40,000 patrons from Milwaukie and unincorporated Clackamas County, and explained where funding for library services comes from.

Karla Branson, Library Board Chair, explained who was on the board, when meetings occur, and noted that a board member attends the Clackamas County Library District Advisory Board meetings.

Bee Perkins and **Ingrid Kesswood**, members of the Library Teen Advisory Board (TAB), shared their views on the importance of the services and events that the library offers to the teenage community and explained what the TAB does and how they meet.

Maryruth Storer Library Board member, detailed programming events at the library and noted how many attendees had been participating. **Shawne Smith** Library Board member, explained the importance of having the Friends of the Ledding Library (FOLL) group, noting the group has existed for 72 years, how many volunteers had worked over the last year, and how much money had been raised through the bookstore. **Smith** shared how using the library's community room had improved FOLL events. **Husher** explained that funding for library programming had come from FOLL fund raising events and store.

Mayor Batey appreciated hearing from the TAB and **Husher** acknowledged the importance of TAB and having them present to Council.

Councilor Khosroabadi asked if Council could help facilitate filling gaps in assisting library patrons in need of assistance services. **Branson** noted that Council may want to speak to library staff but understood that the addition of the police department's behavioral health specialist and community partners were helping.

Councilor Stavenjord shared personal experiences of having a child that participates in TAB, thanked TAB, and asked the TAB members what they were reading. **Stavenjord** and **Gale** noted that libraries have access to upcoming young adult (YA) books and offers them to TAB members.

3. Adjourn

Mayor Batey adjourned the meeting at 5:36 p.m.

Respectfully submitted,

Nicole Madigan, Deputy City Recorder

Motion passed with the following vote: Councilors Khosroabadi, Massey, Nicodemus, and Stavenjord and Mayor Batey voting "aye." [5:0]

7. BUSINESS ITEMS

A. Road Design 101 – Discussion

Garbely provided an overview of road design and maintenance policies and procedures, including the Public Works Standards, Transportation System Plan (TSP) roadway classifications, and how the city uses calming traffic infrastructure. **Mayor Batey** and **Garbely** remarked on the need to collect traffic speed data on key streets and the possibility of using giant concrete planters to slow traffic.

Garbely continued to review road design fundamentals, discussing how the city addresses failing roadways and intersections. **Mayor Batey** and **Garbely** remarked on specific intersections that need to be improved or are impacted by a heavy railroad line.

Garbely discussed the methods the city uses to repair roadways, noting that the city had been experimenting with more environmentally friendly materials. **Mayor Batey** and **Garbely** remarked on the impact of curbs on the lifespan of a roadway and the use of permeable road surface on Lake Road.

Garbely explained how sidewalks are designed to preserve trees and comply with federal and state regulations, and how the city solicits public feedback on sidewalk designs.

Councilor Khosroabadi, Garbely, and Mayor Batey commented on how the city works to implement shared vehicle, pedestrian, and bicycle roadways or woonerfs. They also talked about other ways to slow vehicle traffic besides speed bumps.

Councilor Stavenjord, Garbely, and Ober remarked on how the city's TSP and road design policies can encourage alternate modes of transportation. **Mayor Batey** suggested the city consider building little side parks along transportation routes.

Councilor Massey, Garbely, and Ober commented on the city's ability to work with contractors interested in working in Milwaukie and how staff have worked to keep road projects within budget.

Mayor Batey, Garbely, Gericke, and Ober discussed the feasibility of implementing local improvement districts (LIDs) to build sidewalks and right-of-way (ROW) improvements.

Mayor Batey, Garbely, and Councilor Khosroabadi noted what infrastructure was required to be able to paint crosswalks across a roadway, noting federal Americans with Disabilities Act (ADA) requirements.

Councilor Khosroabadi, Garbely, and Mayor Batey commented on an intersection in the North Milwaukie Innovation Area (NMIA) that may benefit from additional signage.

B. Downtown Medallions – Discussion

Sagor provided an update on staff's proposal for installing bronze medallions on street corners on Main Street, explaining the medallions are allowed for in the city's public area requirements (PARs), and noting the previous installation of granite medallions.

Sagor and Garbely noted where medallions would be installed at each of the four corner sidewalks at Main Street and Washington Street as part of adjacent projects.

Sagor reported that the artist contracted to install additional granite medallions had not worked out, so staff had made alternate arrangements to have bronze medallions and asked Council for feedback on the proposal to install bronze medallions.

It was Council consensus that staff should proceed with installing bronze medallions.

8. PUBLIC HEARING

A. None Scheduled.

9. COUNCIL REPORTS

A. Flavored Tobacco Ban – Resolution

Mayor Batey noted Council’s previous discussion about the proposed resolution.

It was moved by Councilor Khosroabadi and seconded by Councilor Massey to approve the resolution in support of restricting the sale of flavored tobacco products and protecting kids from a lifetime of nicotine addiction. Motion passed with the following vote: Councilors Khosroabadi, Massey, Nicodemus, and Stavenjord and Mayor Batey voting “aye.” [5:0]

Resolution 58-2023:

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MILWAUKIE, OREGON, IN SUPPORT OF RESTRICTING THE SALE OF FLAVORED TOBACCO PRODUCTS AND PROTECTING KIDS FROM A LIFETIME OF NICOTINE ADDICTION.

Councilor Massey reported on the work of the Regional Water Providers Consortium to adopt a strategic plan.

Councilor Stavenjord provided an update on the work and recent meetings of the Clackamas County Coordinating Committee (C4) and Metro technical and policy committees, which involved regional discussions about transportation projects, including a proposal to toll on Interstate 205. The group commented on whether Council should revisit Milwaukie’s projects on the State Transportation Improvement Projects (STIP) list and whether Council should weigh-in on tolling.

Mayor Batey briefly noted the work of the Metro urban growth boundaries (UGB) group.

10. ADJOURNMENT

It was moved by Council President Nicodemus and seconded by Councilor Stavenjord to adjourn the Regular Session. Motion passed with the following vote: Councilors Khosroabadi, Massey, Nicodemus, and Stavenjord and Mayor Batey voting “aye.” [5:0]

Mayor Batey adjourned the meeting at 8:22 p.m.

Respectfully submitted,

Subject: **Behavioral Health and Services Update**

Date Written: Nov. 13, 2023

ACTION REQUESTED

Council is asked to receive the one year update on the behavioral health position and related services for the city.

HISTORY OF PRIOR ACTIONS AND DISCUSSIONS

Historically, the Milwaukie Police Department (MPD) has had one police officer who volunteered to serve as a houseless liaison officer. That officer would perform all the duties of a police officer, while also taking a leadership role in outreach to homeless residents.

For behavioral health and mental health crisis calls, the MPD has traditionally relied on Clackamas County for clinical help with de-escalation and management of police calls involving mental health crisis. As the need for mental health crisis management has continued to increase within the community, the availability of resources has often been insufficient to meet the rising demand. Although MPD officers are provided training consistent with state and national standards, they're not clinical experts and cannot dedicate an optimal amount of time to facilitating the appropriate resources for those in need.

[August 18, 2020:](#) Council approved a resolution changing its goals to include one focused on equity, inclusion, and justice. This resolution prompted the consistent application of an equity lens perspective to assess our delivery of services, particularly to our marginalized communities.

[September 15, 2020:](#) Council received an equity update from the city manager and police chief. Included in that update was data on mental health related calls for service, data related to police use of force and notes from the three listening sessions with Milwaukie's Black, Indigenous, and People of Color (BIPOC) community. Council heard from MPD officers Kathryn Meier and Mark Inman, about the challenges and demands related to responding to mental health crisis. Council also heard from Brian Dwiggin, representing Clackamas County Behavioral Health Division. Dwiggin clarified the county programs and services available, as well as the challenges they face.

At that time, in 2020, the city committed to continue evaluating the needs of the community, and the ways MPD addresses those needs, while looking for opportunities to improve resources and responses.

[June 6, 2022](#): Council adopted the city budget and approved the addition of a behavioral health specialist position within the police department.

[July 19, 2022](#): Council received a presentation on behavioral health and houseless peer support within the city.

[November 28, 2022](#): The city hired Glen Suchanek as a behavioral health specialist (BHS).

April 2023, Central City Concern signed a memorandum of understanding, agreeing to hire a case manager assigned to the Law Enforcement Assisted Diversion team and assigned to spend 80% of their time in Milwaukie. The new CM would do outreach and engagement with our homeless community.

July 2023, Central City Concern began the process of filling the case manager position.

July 2023, LoveOne hired Don Holden, as an outreach specialist.

November 2023, Central City Concern hired case manager Cherrie Averett.

ANALYSIS

Milwaukie’s BHS Glen Suchanek has been working for the city for one year. He responds with police or instead of police, to calls involving mental health crisis, and actively engages with all other BHS workers in Clackamas County to improve services and outcomes.

Glen works closely with the LoveOne houseless liaison and outreach specialist Holden and Central City Concern case manager Averett. Cherrie spends 80% of the work week in Milwaukie or working on Milwaukie issues, related to houselessness. The table below displays the number and type of calls Suchanek responded to in the last year.

BUDGET IMPACT

None.

WORKLOAD IMPACT

Not applicable.

CLIMATE IMPACT

The behavioral health position required that one additional vehicle be added to the city fleet and a Ford Mach E electric vehicle was purchased.

The unhoused or housing-insecure community is disproportionately vulnerable to and impacted by climate-related natural hazards, including heatwaves and storm events. Community members without or with unstable shelter may require additional assistance to connect to life-saving resources and services in these extreme weather events. As more people move to the area to escape extreme climate events in other states and seek refuge in the Pacific

Northwest, we may see an increase in the number of houseless or housing insecure residents who require assistance during Oregon's own increasingly frequent natural hazard events.

COORDINATION, CONCURRENCE, OR DISSENT

Not applicable.

STAFF RECOMMENDATION

Suchanek has had significant impact on the ability to organize, contact, and follow up with the unhoused and mentally ill population in Milwaukie. He works seamlessly with the officers at the MPD and has become a trusted and vital partner in this work.

The behavioral health program has been very successful. The program needs continued support and has become a strong asset to the city.

COUNCIL STAFF REPORT

From: Jen Garbely, City Engineer

Subject: **23rd Avenue Right-of-Way Vacation**

Date Written: Sept. 1, 2023

ACTION REQUESTED

Council is asked to hold a hearing to vacate a section of the 23rd Avenue right-of-way (ROW) at Milwaukie High School (MHS). This action is being taken to finalize the land use and engineering requirements associated with the rebuilding of MHS.

HISTORY OF PRIOR ACTIONS AND DISCUSSIONS

The North Clackamas School District (NCSD) received land use approval for demolition and rebuilding of the MHS main school building (file No. CSU-2017-007). A condition of that approval required the dedication of a segment of ROW at the east end of Adams Street to connect to 23rd Avenue. The city engineer subsequently determined that the required dedication was unnecessary, that a public access easement would suffice to connect the east end of Adams Street to 23rd Avenue, and that vacation of a section of the 23rd Avenue ROW would be preferred to eliminate ongoing maintenance and potential liability concerns as long as public utility easements were obtained to provide the city with sufficient access for the maintenance and protection of existing utilities.

The city engineer sought and obtained approval from the Planning Commission for a modification to the original conditions of approval to remove the required dedication, require a public access easement, and to provide for the vacation of a section of the 23rd Avenue ROW and the recording of any public utility easements necessitated by the vacation (file CSU-2022-003).

ANALYSIS

Staff worked with NCSD to obtain and record both a public access easement and a public utility easement as required by the updated conditions of approval. Staff will have the easement signed and recorded once the Council has acted on the ROW vacation. These easements will provide for maintenance and protection of the existing water and sanitary sewer mains and allow for future connectivity to the site in place of the previously required dedication. The purpose for this hearing is to formally vacate the section of the 23rd Avenue ROW as envisioned by the city engineer as contemplated in CSU-2022-003.

BUDGET IMPACT

A slight reduction in street maintenance costs as this segment of 23rd Avenue will no longer be maintained by the city.

CLIMATE & WORKLOAD IMPACT

None.

COORDINATION, CONCURRENCE, OR DISSENT

This ROW vacation was coordinated with the planning department, city attorney, and public works director; all concur that this segment of ROW is no longer needed by the city and is best to be maintained by NCSD.

STAFF RECOMMENDATION

Staff recommends that the Council formally vacate the segment of the 23rd Avenue ROW as requested.

ALTERNATIVES

No alternatives are recommended for Council to consider pursuing.

COUNCIL ORDINANCE No.

AN ORDINANCE OF THE CITY OF MILWAUKIE, OREGON, VACATING THE PUBLIC STREET RIGHT-OF-WAY WITHIN A SEGMENT OF SE 23RD AVENUE.

WHEREAS the North Clackamas School District (NCSD) submitted land use application CSU-2017-007 seeking approval to reconstruct the main building of Milwaukie High School; and

WHEREAS the Planning Commission approved CSU-2017-007 subject to condition of approval 4.f., which required NCSD to “[p]rovide for right-of-way vacation of that portion or 23rd Ave, south of Adams St. Easements will be maintained for utilities”; and

WHEREAS a public utility easement has been executed that provides for the continued protection, maintenance, and replacement of the existing public water and sanitary main lines located within the segment of SE 23rd Avenue to be vacated; and

WHEREAS the city is authorized under ORS 271.130 to initiate vacation proceedings on its own motion and to hold a hearing upon proper notice to accomplish the same; and

WHEREAS with the public utility easement in place, the city-initiated vacation proceedings for the segment of SE 23rd Avenue described and depicted in Exhibits A and B; and

WHEREAS proper notice was given, and a hearing was held on December 5, 2023.

Now, Therefore, the City of Milwaukie does ordain as follows:

Section 1. That portion of the SE 23rd Avenue right-of-way described and depicted in Exhibits A and B is vacated.

Section 2. The city engineer is authorized to take any action necessary to effect the vacation so ordered.

PUBLIC PIPELINE UTILITY EASEMENT

This PUBLIC PIPELINE UTILITY EASEMENT (“**Easement**”) is entered into by and between NORTH CLACKAMAS SCHOOL DISTRICT NO. 12 (“**Grantor**”) and THE CITY OF MILWAUKIE, an Oregon municipal corporation (“**Grantee**”), on this ____ day of August, 2023 (the “**Effective Date**”).

RECITALS

A. Grantor is the owner of record of certain real property located in Clackamas County at 2301 SE Willard St., Milwaukie, Oregon, 97222 (“Grantor’s Property”).

B. Grantee desires a perpetual, non-exclusive public pipeline utility easement under, and across a portion of Grantor’s Property in the location legally described on Exhibit A and more particularly depicted on Exhibit B. attached hereto.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the parties agree as follows:

AGREEMENT

1. Grant of Easement. Grantor does hereby grant, bargain, sell, and convey to Grantee, its successors and assigns a perpetual, non-exclusive pipeline utility easement under, across, in and through a portion of Grantor’s Property in the location legally described on Exhibit A and more particularly depicted on Exhibit B (collectively, the “Easement Area”).

2. Acceptance of Easement. Notwithstanding anything in this Agreement to the contrary, Grantee accepts the Easement Area “AS IS” with all faults, subject to all existing easements, rights of way, covenants, conditions, restrictions, and reservations of record (“**Prior Recorded Encumbrances**”). Grantor makes no representations or warranties, express or implied, regarding the title, quality, character, value or any other attribute of the Easement Area. Grantee accepts all risk arising out of its use of the Easement Area, and Grantor shall have no liability to Grantee or others for any condition existing thereon.

3. Purpose of Easement. The easement granted herein will be used solely for purposes of maintaining, repairing, and reconstructing the existing underground utility pipeline (the “**Pipeline**”) located in the Easement Area. The easement granted herein may be used for such purposes only by Grantee, its successors and assigns.

4. Restrictions on Use of Easement Area. Subject to the rights of the beneficiaries under the Prior Recorded Encumbrances, Grantor shall not cause or allow the construction or maintenance of any building or other structure in or upon the Easement Area (including any overhanging structures with footings located on property owned by Grantor outside the Easement Area) without the prior written consent of Grantee, which consent shall not be unreasonably withheld. Notwithstanding the foregoing, Grantor shall have full use and enjoyment of the Easement Area which is not inconsistent with Grantee’s permitted use herein, including but not limited to, the right to construct and maintain parking areas, walkways, private utilities (crossing the easement area as close to a 90° angle as possible), curbing, directional signage, landscaping (other than trees), and similar improvements within the Easement Area without need for Grantee’s consent.

5. Construction. Grantee will obtain all necessary permits required to maintain, repair or reconstruct the Pipeline in the Easement Area. All costs of construction and compliance with laws and regulations, permits and requirements of any governmental agency for Grantee relative to costs associated with installation of the Pipeline will be paid by Grantee, and Grantee will indemnify, defend, and hold harmless Grantor from any such costs or expenses.

6. Maintenance. Grantee shall maintain the Pipeline in a good and workmanlike manner and in compliance with all applicable statutes, ordinances, rules, and regulations of all governing public authorities, clear of debris and obstructions in order to maintain the Pipeline in its intended condition for its intended use to function as designed (the “Maintenance Obligations”).

7. Additional Grantee Obligations. Grantee shall not interfere in any way with Grantor’s use of the Easement Area, except to the extent reasonably required for Grantee’s use and activities permitted under this Agreement. Grantee agrees that if Grantee or its invitees disturb the Easement Area or if any damage occurs on the Easement Area as a result of Grantee or its invitees’ use or activities under this Agreement, Grantee shall promptly repair and restore the Easement Area, at Grantee’s sole cost and expense, to substantially the same and at least as good a condition as existed immediately prior to Grantee’s use or activities. Except in the event of an emergency, Grantee shall provide Grantor with written notice of Grantee’s intention to enter upon or commence work on the Easement Area at least seventy-two (72) hours prior to such entrance or commencement of work. Failure to provide this notice shall constitute a breach of this Agreement by Grantee.

8. Indemnification; Limitations. Grantee, its successors and/or assigns, shall defend, indemnify and hold harmless Grantor, its successors and/or assigns from any loss, claim, damage or liability of any nature, including injury to any person or property, and including, but not limited to, reasonable attorney fees, arising in any manner out of the Grantee and its invitees’ use, access or activities under this Agreement, and Grantor shall have no liability to Grantee or others for any condition existing thereon. Grantee’s obligation to indemnify Grantor shall extend to “**Hazardous Materials**” such that Grantee shall indemnify Grantor and Grantor’s officers, agents, employees,

directors, managers, and contractors (“**Grantor Parties**”) for, hold Grantor and all Grantor Parties harmless from, and defend (with counsel reasonably acceptable to Grantor) Grantor Parties against, any and all claims, judgments, causes of action, damages, penalties, fines, taxes, costs, liabilities, losses and expenses arising at any time during or after the Effective Date of this Agreement as a result (directly or indirectly) of (i) the presence of Hazardous Materials on, under, or migrating from Grantor’s Property or other property caused (directly or indirectly) by the activities or omissions of Grantee or any of Grantee’s officers, agents, employees, directors, managers, or contractors while using the Easement Area, and/or (ii) the failure to comply with any “**Environmental Laws.**” For purposes of this Agreement, “**Hazardous Materials**” shall mean any product, substance, chemical, material or waste whose presence, nature, quantity and/or intensity of existence, use, manufacture, disposal, transportation, spill, release or effect, either by itself or in combination with other materials, now or in the future, is either: (i) potentially injurious to health or the environment; (ii) regulated or monitored by any governmental authority or Environmental Law; (iii) defined as a hazardous material, hazardous substance, or pollutant (or similar term) in any federal, state or local law or regulation, including without limitation, any Environmental Law; or (iv) a basis for potential liability to any governmental authority or third party. The term “**Environmental Law**” shall mean any federal, state, or local statute, regulation, or ordinance relating to the protection of health or the environment, including laws and amendments enacted after the date of this Agreement. In no event shall Grantor be liable for any claims, proceedings, lawsuits, liabilities, damages, losses, fines, penalties, judgments, awards, costs and expenses resulting from Grantee or its invitees’ use of the easement granted herein whether or not it is insured, unless such loss is caused by the willful misconduct or intentional wrongdoing of Grantor.

9. Easements to Run with the Land. The easement, rights and obligations contained in this Agreement shall bind and inure to the benefit of each of the Grantor and Grantee and each of their respective heirs, representatives, lessees, successors, assigns, mortgagees and beneficiaries under any deed of trust; provided however, this Easement may not be assigned by Grantee without the prior written consent of Grantor.

10. Attorney Fees and Costs. In the event a suit or action is instituted to enforce or interpret any provision of this Agreement, the prevailing party shall be entitled to recover their reasonable attorney fees and other costs and expenses actually incurred in connection therewith, including without limitation attorney fees incurred on any appeal, in addition to all other sums provided by law.

11. Modification. The terms of this Agreement may be modified or terminated only upon the consent of Grantor and Grantee as evidenced by their execution of a written instrument that is recorded in the deed records of Clackamas County, Oregon.

12. Entire Agreement. This Agreement, including the exhibits attached hereto, constitutes the entire agreement between the parties. No representations, warranties, or promises pertaining to this Agreement or any property affected by this Agreement have been made by, or shall be binding on, the parties, except as expressly stated in this Agreement.

13. Severability. The invalidity or unenforceability of any provision of this Agreement with respect to a particular party or set of circumstances shall not in any way affect the validity or

enforce enforceability of any other provision hereof, or the same provision when applied to another party or a different set of circumstances.

14. Non-Waiver. Failure by Grantor or Grantee to enforce any of the rights, obligations, covenants or restrictions contained in this Agreement shall in no event be deemed a waiver of the right to enforce the same at any future time.

PUBLIC ACCESS EASEMENT

This PUBLIC ACCESS EASEMENT (“**Easement**”) is entered into by and between NORTH CLACKAMAS SCHOOL DISTRICT NO. 12 (“**Grantor**”) and THE CITY OF MILWAUKIE, an Oregon municipal corporation (“**Grantee**”), on this _____ day of August 2023 (the “**Effective Date**”).

RECITALS

A. Grantor is the owner of record of certain real property located in Clackamas County at 2301 SE Willard St., Milwaukie, Oregon 97222 (“**Grantor’s Property**”).

B. Grantee desires a twenty-five (25) foot wide, perpetual, non-exclusive access easement under and across a portion of Grantor’s Property in the location legally described on Exhibit A and more particularly depicted on Exhibit B attached hereto.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the parties agree as follows:

AGREEMENT

1. Grant of Easement. Grantor does hereby grant, bargain, sell, and convey to Grantee, its successors and assigns a twenty-five (25) foot wide, perpetual, non-exclusive access easement under, across, in and through a portion of Grantor’s Property in the location legally described on Exhibit A and more particularly depicted on Exhibit B (collectively, the “**Easement Area**”).

2. Acceptance of Easement. Notwithstanding anything in this Agreement to the contrary, Grantee accepts the Easement Area “AS IS” with all faults, subject to all existing easements, rights of way, covenants, conditions, restrictions, and reservations of record (“**Prior Recorded Encumbrances**”). Grantor makes no representations or warranties, express or implied, regarding the title, quality, character, value, or any other attribute of the Easement Area. Grantee accepts all risk arising out of its use of the Easement Area, and Grantor shall have no liability to Grantee or others for any condition existing thereon.

3. Purpose of Easement. The easement granted herein will be used solely for the purposes of providing pedestrian access across the Easement Area. The easement granted herein may be used for such ingress and egress purposes only by Grantee, its successors, and assigns.

4. Restrictions on Use of Easement Area. Subject to the rights of the beneficiaries under the Prior Recorded Encumbrances, Grantor shall not cause or allow the construction or maintenance of any building or other structure in or upon the Easement Area (including any overhanging structures with footings located on property owned by Grantor outside the Easement Area) without the prior written consent of Grantee, which consent shall not be unreasonably withheld. Grantee agrees that if Grantee or its invitees disturb the Easement Area or if any damage occurs on the Easement Area as a result of Grantee or its invitees' use or activities under this Agreement, Grantee shall promptly repair and restore the Easement Area, at Grantee's sole cost and expense, to substantially the same and at least as good a condition as existed immediately prior to Grantee's use or activities. Except in the event of an emergency, Grantee shall provide Grantor with written notice of Grantee's intention to enter upon or commence repair work on the Easement Area at least seventy-two (72) hours prior to such entrance or commencement of such work. Failure to provide this notice shall constitute a breach of this Agreement by Grantee.

6. Indemnification; Limitation. Grantee, its successors and/or assigns, shall defend, indemnify, and hold harmless Grantor, its successors and/or assigns from any loss, claim, damage, or liability of any nature, including injury to any person or property, and including, but not limited to, reasonable attorney fees, arising in any manner out of the Grantee and its invitees' use, access or activities under this Agreement, and Grantor shall have no liability to Grantee or others for any condition existing thereon. In no event shall Grantor be liable for any claims, proceedings, lawsuits, liabilities, damages, losses, fines, penalties, judgments, awards, costs, and expenses resulting from Grantee or its invitees' use of the easement granted herein whether or not it is insured, unless such loss is caused by the willful misconduct or intentional wrongdoing of Grantor.

7. Easements to Run with the Land. The easement, rights and obligations contained in this Agreement shall bind and inure to the benefit of each of the Grantor and Grantee and each of their respective heirs, representatives, lessees, successors, assigns, mortgagees, and beneficiaries under any deed of trust; provided however, this Agreement may not be assigned by Grantee without the prior written consent of Grantor.

8. Attorney Fees and Costs. In the event a suit or action is instituted to enforce or interpret any provision of this Agreement, the prevailing party shall be entitled to recover reasonable attorney fees and other costs and expenses actually incurred in connection therewith,

including without limitation attorney fees incurred on any appeal, in addition to all other sums provided by law.

9. Modification. The terms of this Agreement may be modified or terminated only upon the consent of Grantor and Grantee as evidenced by their execution of a written instrument that is recorded in the deed records of Clackamas County, Oregon.

10. Entire Agreement. This Agreement, including the exhibits attached hereto, constitutes the entire agreement between the parties. No representations, warranties, or promises pertaining to this Agreement or any property affected by this Agreement have been made by, or shall be binding on, the parties, except as expressly stated in this Agreement.

11. Severability. The invalidity or unenforceability of any provision of this Agreement with respect to a particular party or set of circumstances shall not in any way affect the validity or enforce enforceability of any other provision hereof, or the same provision when applied to another party or a different set of circumstances.

12. Non-Waiver. Failure by Grantor or Grantee to enforce any of the rights, obligations, covenants, or restrictions contained in this Agreement shall in no event be deemed a waiver of the right to enforce the same at any future time.

IN WITNESS THEREOF, Grantor and Grantee have executed this Agreement as of the date first written above.

To Whom it May Concern,

This letter is regarding the proposal to vacate the public right-of-way (ROW) owned by the City of Milwaukie on 23rd Avenue on the Milwaukie High School (MHS) property. As confirmed by the City of Milwaukie's finance department and code enforcement coordinator and the Clackamas County Assessor's Office, this letter certifies that there are no city liens outstanding against the property being vacated and there are no taxes due as the property being vacated is publicly owned and therefore exempt from taxation pursuant to Oregon Revised Statute (ORS) 307.090.

For questions regarding this letter, please contact the Office of the City Recorder (OCR) by phone at 503-786-7502 or email at ocr@milwaukieoregon.gov.

Joint Values on the Proposed Regional Congestion Pricing and Toll Projects within the Portland Metro Region

September 20, 2023

The jurisdictions named here support a functional regional transportation system that prioritizes safety, equity, a vibrant economy, healthy and active communities, climate action, disaster resilience, and the reliable movement of people and goods.

We acknowledge that additional transportation funding is needed to address maintenance and capital projects on the interstate system. We recognize ODOT has been directed to pursue pricing in some form, but also that toll collections have been paused until 2026 in order to better address local concerns. As ODOT continues to advance tolling and explore other funding strategies, the jurisdictions listed here will advocate for the following values to be reflected in any proposed policy or project.

These values are not an endorsement of any proposal to implement tolling or congestion pricing.

To rebuild trust with local communities, ODOT must...

- Be influenced by local voices and jurisdictions ahead of implementation
- Deliver clear benefits to the drivers, communities, and businesses affected by toll corridors
- Prioritize robust and inclusive community engagement
- Incorporate and track commitments made with local and regional partners through transparent and consistent communication

To ensure the transportation system works for Oregonians, the OTC and the State Legislature should direct ODOT to...

- Extend the existing revenue sharing models with local jurisdictions to apply to toll revenues
- Prioritize the completion of the bottleneck projects identified in HB 2017 (2017) and HB 3055 (2021)
- Explore alternative funding mechanisms beyond pricing to address transportation funding needs
- Provide adequate public transit infrastructure within proposed toll corridors

To ensure the efficient and equitable movement of people and goods, tolling or congestion pricing programs should...

- Decrease diversion into local communities
- Increase safety on and off the interstate system
- Ensure that all tolling or congestion programs are designed with regional implementation and collaboration in mind to avoid disproportionate economic impacts or unfair burdens on people and communities
- Support a regionally balanced transportation system that provides reliable travel times for commuters and employers on and off the tolled corridor
- Establish viable travel alternatives to accommodate mode shifts, including bicycle and pedestrian networks and accessible transit programs in areas with inadequate or no service
- Provide considerations for local trips with few or no alternatives
- Improve transportation system resiliency to natural disasters, such as earthquakes and wildfires
- Improve regional air quality and reduce vehicle pollution, both on and off the interstate system
- Establish a long-term oversight and accountability committee to provide transparency
- Consider recommendations from the Low-income Toll Report and the Equity Mobility Advisory Committee (EMAC)
- Address the land use implications inherent with how tolling will affect local communities
