What is Rent Well?

Rent Well is a tenant education class that helps people overcome housing barriers related to evictions or rental history, credit, or criminal history. Classes include a background report and incentive funds for landlords who rent to Rent Well graduates.

What is the E-Course?

The E-Course is a free online version of the Rent Well class for low income Oregon renters with at least one housing barrier. The E-Course uses an interactive website instead of a live instructor.

You can sign up for the E-Course and log in at any time from anywhere with a high-speed internet connection. You then have up to 90 days to complete the course at your own pace. The E-Course is compatible with computers, laptops, tablets, and some smartphones and is currently available in both English and Spanish. You can complete the E-Course on your own or come to an E-Course Lab to get help.

What are E-Course Labs?

Optional weekly drop in sessions to get help from a Rent Well instructor at a computer lab. Anyone interested in taking the E-Course is welcome. Please see the lab schedule on the other side of this page.

Do I have to sign up ahead of time?

You do not need to sign up for labs. Just drop by during our scheduled hours.

What should I bring?

Please bring a photo ID if you have one. You can either use one of the computers in the lab or bring your own device.
