

MILWAUKIE BUILDING DIVISION 10501 SE Main St Milwaukie OR 97222 503.786.7600 building@milwaukieoregon.gov

## HOW TO DOWNLOAD PLANS ONLINE

Web: www.buildingpermits.oregon.gov

1.) First, you want to find your permit. Hover over the yellow search box, and click "Building Permits"

- 2.) A search page will open. The dates at the top are automatically set to find anything in the last year. If you are searching for a permit with in the last year, change nothing. If you want to search for older permits, change the dates to the dates you'd like to search.
- 3.) Enter your search criteria. We've found it's better to search by one field at a time and to enter less information. For example:

If you're searching by <u>permit number</u>, enter only the permit number (including dashes) (you can use "%" as a wild card – Example: 601-18-0005%).

If you're searching by <u>address</u>, just enter the address numbers (not the street) and then select from the list.

Hint: If you search by street, the street name will not include directions (SE) (you can use "%" as a wild card - Example: Johns%).

7.) You will now see a list of all the documents attached to the permit. There may be additional pages to flip through to find the document you're looking for. Any approved plans will have "Approved Plans" in the name. There could also be more than one approved plan if revisions were submitted.
