Oregon SRTS Advisory Committee

DRAFT

This letter has been written to express the strong support of Milwaukie's Lewelling Neighborhood District Association (LNDA) for funding to improve the safety of children walking, rolling or biking to and from Seth Lewelling Elementary School. As Milwaukie's officially sanctioned neighborhood association for this area, the LNDA is vitally interested in the safety of children attending Seth Lewelling Elementary School.

Following the death of a small child (who was killed by a hit-and-run driver on a nearby street that has no sidewalks) members of the LNDA have worked over the last three years to identify ways to improve safety near the school. This led to the receipt of an SRTS grant to prepare a public improvement plan. That plan was completed by Alta Planning/Design in 2023 and is now the central document outlining the needed safety improvements for the area.

Using the criteria established by ODOT and your committee, we feel that our application meets all of the applicable criteria and justifies grant funding for construction. We continue to meet regularly with City Engineering staff and we intend to see this project through to completion. Although Milwaukie's population no longer requires local matching funds for this grant we feel that you should know that this City has already funded over \$3,000,000 of traffic safety improvements in the vicinity of Lewelling Elementary School, with another \$4,000,000 to be spent on King Road in 2025. Clearly, the City is doing it's part and now we need your support to do everything we can to assure the safety of neighborhood children.

Thank you for your work on behalf of school children all over Oregon. We look forward to your support for Milwaukie's application for construction of improvements to implement the Safe Routes to School Plan prepared for Seth Lewelling Elementary School.

Partnering Organizations (if any): Milwaukie High School PTSA

II. Project or Program Details

Note: Please attach additional pages as necessary to fully describe the proposed project or program.

Describe the goal and the need for the proposed project or program.

The goal is to provide an all night, chaperoned, substance free grad party for the class of 2024 in a safe, controlled environment. We want seniors to celebrate with us instead of having their own party. We hope to encourage them to attend based on the activities offered and the prizes they could win.

Who will be involved in the project or program and how has support evolved in the neighborhood/s?

We are a group of parents organizing this event. While we are a small group, we doubled our volunteers from last year. We are seeking donations from local businesses as well as hosting fundraisers in person and online.

Project Time Frame: Beginning Date 11/26/23 End Date 6/1/24

Please describe how the grant money, if approved, would be used:

Donations will be used to pay for the venue, outside vendors (photo booth, bounce house, etc) provide food, and offer prizes for all attendees. To give you an idea, last year our total cost was roughly \$12,000. This covered all the mentioned fees but also allowed every student to go away with \$30 in prizes and the opportunity to win more prizes. Prices have gone up and we anticipate more students attending this year and an overall cost of \$15,000.

**III. Proposal Criteria**

Project meets at least one of the following applicability criteria for value to the neighborhood. Check the appropriate boxes:

☐**(1) Neighborhood Organizing/ Organization Development**

activities, services and materials that generate new neighborhood membership, grow the organization or educate neighborhood leadership toward the organization's development and continued operation.

☐**(2) Neighborhood Physical Improvements**

materials and services to be used toward playgrounds, minor park improvements, community gardens or other facilities, neighborhood markers, identity signs, banners, trash cans, benches, etc.

☐**(3) Neighborhood Preservation**

materials and services that sustain or enhance the health, public safety and welfare of the neighborhood such as crime watch, traffic management, or home weatherization programs; or contribute positively to the neighborhood's aesthetic quality such as design guideline development, community property maintenance programs or beautification programs.

☒**(4) Neighborhood Cultural, Social or Recreational Initiatives**

materials and services that promote diversity, family literacy programs, neighborhood computer labs, after school enrichment programs, youth athletic leagues, career preparation, services for the needy, disabled or elderly and cultural activities such as music, dance, or art programs.

☒

To the best of my knowledge, the project complies with all city, county and state codes.

Please provide any additional comments and information that you would like to share with the NDA/s about this proposal.

We are a small but mighty group. We want students to be involved with the community and to know that we appreciate your donations. If you have a need, we will try our best to help you get some student volunteers. We also are offering students who cannot afford a grad party ticket an opportunity to volunteer to earn their ticket. If you have any need for volunteers, please let us know.

To Whom It May Concern:

The parents and guardians of Milwaukie High School (MHS) and the Milwaukie Academy of the Arts (MAA) Class of 2024 are planning an all-night, chaperoned, substance-free graduation party to be held on graduation night, Tuesday, June 11, 2024. This event provides students with a safe and fun environment to gather one last time as a class and celebrate their accomplishments and friendships before they embark on their respective life journeys.

We would be tremendously grateful and appreciative of any financial support that you are willing to provide. All donations go toward the event venue, activities, food, transportation, and prizes.

Financial donations and prize items can be sent to:

Milwaukie High School
Attn: Class of 2023 Grad Party Committee
2301 SE Willard St.
Milwaukie, OR 97222.

We can also arrange to pick up a donation. Please email gradpartymhsmaa@gmail.com with any questions. Our committee is an affiliate of Milwaukie High School PTSA, and we are an official 501(c)(3) charitable organization.

We appreciate your support!
