Old Business – “Below the Line”

- We do not plan to discuss these topics during tonight’s meeting. We list to avoid dropping over time
- Please talk to a Board member if you are interested in starting a Task Team to address one of these issues
- Task Teams are groups of neighbors who research an issue, and bring information and proposed solutions to ISNDA

Parks & Natural Areas

- 1) Review safety on paths when bicyclists and walkers interact
- 2) Friends of Elk Rock Island – How to support the City of Milwaukie to maintain the Peter Kerr Park?
- 3) Parking around Spring Park Natural Area
- 4) Bathrooms in the Parks
- 5) Pull Invasive Plants in Vicinity of the Train Trestle, and Ivy Out of Trees in Various Locations
- 6) Kellogg-for-Coho Initiative = Remove Kellogg Creek dam, Hwy 99 bridge uses dam as support
- 7) Milwaukie Bay Park Phase III Development – Island Station neighbors want amphitheater built and redwood tree saved
- 8) PCB Pollution in Johnson Creek – How can we help Historic Milwaukie NDA?
- 9) Wayfinding signs from Kellogg Creek Park to Spring Park/Elk Rock.

Livability

- ~~10) Continued feedback to KGNC—How to make Waste Water Treatment facility a better neighbor~~
- 11) Street Intersection Painting – Need to refresh painting at Eagle and 19th Avenue
- 12) Sparrow Street (East of River Road) Multi-Use Trail
- 13) “Welcome to Island Station Neighborhood” Signs – Incorporate City’s new Wayfinding Sign design
- 14) Help Elderly/shut-in People with Yard Maintenance, etc.
- 15) Community Garden in the Island Station Neighborhood
- 16) Map Fruit Trees That Are Going Unharvested and Make the Fruit Available to Neighbors
- 17) Light-Rail Noise – Nuisance noise from southbound light-rail trains coming off Hwy 99 overpass
- 18) Portland and Western Trains “Idling” Within the Neighborhood

Safety

- 19) Address path safety when bicyclists and walkers interact on a path
- 20) How to slow down traffic coming down Sparrow Street to Elk Rock Island Natural Area?
- ~~21) How can we slow down traffic coming down River Road to the intersection with Hwy 99?~~
- ~~22) How can we slow down traffic going up 22nd Avenue?~~
- ~~23) Bike/Ped Bridge in Kronberg Park—Encourage City to open bridge, get pedestrians off Hwy 99~~
- 24) Intersection Safety at Hwy 99 & 22nd Avenue – Propose moving stop lights for southbound traffic to 22nd Avenue and adding crosswalk, clarify traffic signs on Trolley Trail

City

- 25) How to Keep City Informed of ISNDA Issues – Consider Board meeting periodically with City Manager and various Councilors and talking at City Council meetings.
- 26) Deteriorating Streets = Potholes
