Old Business – "Below the Line"

▪ We do not plan to discuss these topics during tonight's meeting. We list to avoid dropping over time
▪ Please talk to a Board member if you are interested in starting a Task Team to address one of these issues
▪ Task Teams are groups of neighbors who research an issue, and bring information and proposed solutions to ISNDA

Parks & Natural Areas
1) Review safety on paths when bicyclists and walkers interact
2) Friends of Elk Rock Island – How to support the City of Milwaukie to maintain the Peter Kerr Park?
3) Parking around Spring Park Natural Area
4) Bathrooms in the Parks
5) Pull Invasive Plants in Vicinity of the Train Trestle, and Ivy Out of Trees in Various Locations
6) Kellogg-for-Coho Initiative = Remove Kellogg Creek dam, Hwy 99 bridge uses dam as support
7) Milwaukie Bay Park Phase III Development – Island Station neighbors want amphitheater built and redwood tree saved
8) PCB Pollution in Johnson Creek – How can we help Historic Milwaukie NDA?
9) Wayfinding signs from Kellogg Creek Park to Spring Park/Elk Rock.

Livability
10) Continued feedback to KGNC – How to make Waste Water Treatment facility a better neighbor
11) Street Intersection Painting – Need to refresh painting at Eagle and 19th Avenue
12) Sparrow Street (East of River Road) Multi-Use Trail
13) "Welcome to Island Station Neighborhood" Signs – Incorporate City's new Wayfinding Sign design
14) Help Elderly/shut-in People with Yard Maintenance, etc.
15) Community Garden in the Island Station Neighborhood
16) Map Fruit Trees That Are Going Unharvested and Make the Fruit Available to Neighbors
17) Light-Rail Noise – Nuisance noise from southbound light-rail trains coming off Hwy 99 overpass
18) Portland and Western Trains "Idling" Within the Neighborhood

Safety
19) Address path safety when bicyclists and walkers interact on a path
20) How to slow down traffic coming down Sparrow Street to Elk Rock Island Natural Area?
21) How can we slow down traffic coming down River Road to the intersection with Hwy 99?
22) How can we slow down traffic going up 22nd Avenue?
23) Bike/Ped Bridge in Kronberg Park – Encourage City to open bridge, get pedestrians off Hwy 99
24) Intersection Safety at Hwy 99 & 22nd Avenue – Propose moving stop lights for southbound traffic to 22nd Avenue and
adding crosswalk, clarify traffic signs on Trolley Trail

City
25) How to Keep City Informed of ISNDA Issues – Consider Board meeting periodically with City Manager and various
Councilors and talking at City Council meetings.
