

CITY OF MILWAUKIE

**Safe Access for Everyone (SAFE)**  
is the City of Milwaukie's program  
to improve safety for people  
walking, biking and more.

*Updated May 2022*

Milwaukie is a great place to live, so our city is growing—and that means more traffic. Preserving safety for kids walking to school, people using wheelchairs, and everyone in between is just the right thing to do, and it's also required by federal Americans with Disabilities Act (ADA) laws.

That's why we're installing, upgrading or replacing portions of sidewalks, ramps and crossings—to fill safety gaps and remove barriers to getting around.

We worked with community members to identify where mobility improvements were needed most.

## QUICK FACTS

**28**  
**MILES**

of sidewalks and paths will be  
added or repaired over 9 years.

.....

**6**

Completed SAFE  
projects to date.

.....

12 schools will have Safe Routes  
to School as a result of this project.

.....

**\$51.1**  
**MILLION**

Total cost of  
SAFE program.

.....

Project funding comes from the  
existing SAFE fee and the gas tax.
