

SE HOME AVENUE ROAD IMPROVEMENTS

Safe Access for Everyone (SAFE) is the City of Milwaukie's program to improve safety for people walking, biking and more.

Project Update

We received great feedback from neighbors this summer during a virtual open house and an online survey, which helped us in creating an initial design concept for the project. View the full summaries at bit.ly/HomeAveProject.

The current design includes:

- Constructing new sidewalk to Americans with Disabilities Act (ADA) standards.
- Replacing the sewer pipe on SE Harrison Street between 47th Avenue and Home Avenue and on Home Avenue between Harrison Street and Monroe Street.
- Repaving Home Avenue between Railroad Avenue and King Road.

GIVE US YOUR FEEDBACK!

Read more about what was considered with the early design and participate in a brief online survey.

October 26- November 11, 2020
