

WE'RE DESIGNING A PROJECT TO:

Make the area safer for kids and neighbors walking and riding through the neighborhood, to Ardenwald Elementary or to nearby bus stops.

We'll also:

- Improve utility systems.
- Repave sections of streets.

PROPOSED IMPROVEMENTS

- Repave some areas.
- Upsize water mainline pipes.
- Replace sanitary sewer mainline pipes.
- Make stormwater management improvements.
- Replace a section of sidewalk and curb ramps.

SCHEDULE

We are in the design phase, and we expect construction to begin in late 2023 or early 2024.
