I, \_\_\_\_\_, Oregon Construction Contractors Board No. \_\_\_\_\_ certify the following is true and defines the scope of work for this project.

- a. All work complies with the current state-adopted NFPA-72 and the authority having jurisdiction.
- b. All notification appliances are located in accordance with the current state-adopted NFPA-72.
- c. Smoke/Heat detector spacing complies with current state-adopted NFPA-72 and the authority having jurisdiction.
- d. Exposed wiring will not be covered until inspected.
- e. Final approval shall be subject to on-site tests and inspections.
- f. Voltage drop is adequate to operate all appliances.
- g. Battery supplies are capable of supporting the system modifications.
- h. A statement of compliance, with the minimum information as specified in OSFC Section 901.2.1, will be given to the building inspector prior to final approval.
- i. Compatibility of appliances and devices are in accordance with the FACP manufacturer's specifications.

In addition, I understand the following is required:

- A sketch attached to this document and the building permit showing the area of work within the building's structure, and
- A copy of this document shall be available for the authority having jurisdiction, and
- An electrical permit
