New Business

1. Polling – next step
 - a. Grady went over the preliminary phase of using a polling firm which will predict how good our chances of passing a bond would be. Sub-committee was formed to find a polling firm to do the research/surveys that will work closely with the firm doing the education/communication piece. Greg, Paul, Melissa and Katie (as staff liaison) will recommend the polling firm to be used. Grady will send questions to ask the polling firms for the committee to review.
2. Council update

Scott reviewed the work plan update that was presented to City Council at the Study Session on July 23rd. Council has indicated their support for moving ahead with a polling firm and had suggestions for the project.

3. Bond discussion

FFA will be attending the next meeting and will have cost estimates for a smaller expansion. These figures are needed to determine the size of the bond needed.
