The proposal and information on how to respond to this notice are described below.

The Milwaukie City Council will hold a public hearing on the proposal at a meeting beginning at 6:00 p.m. on Tuesday, March 17, at Milwaukie City Hall, 10722 SE Main Street.

File Number(s):	AP-2019-003
Location:	12205-12225 SE 19 th Ave 11E35DD03300 & 03200 <i>A map of the site is located on the last page of this notice.</i>
Proposal:	<p>This hearing is an appeal of Milwaukie Land Use Master File #NR-2018-005, which denied the proposed 12-unit natural resources cluster development at the above referenced site. The proposal was for the construction of 10 new homes, rehab of the two existing homes, and construction of a new private drive.</p> <p>The applicant has proposed an amended application with a total of 5 single-family lots (3 new homes.)</p> <p>The property includes 100-yr floodplain, mapped Water Quality Resources (WQR) and Habitat Conservation Area (HCA). The amended proposal would result in HCA disturbance of approximately 3,100 sq ft and includes variances to lot width and frontage. The amended proposal includes mitigation for the disturbance to the mapped natural resources in the form of a dedication of "island area" west of the slough to the City.</p>

<p>Reason for Appeal by Appellant:</p>	<p>The appellant has submitted an amended application to be considered by the City Council on the appeal of the denial of the original land use application.</p> <p>The appellant originally sought review of the Planning Commission denial of the application based on the following:</p> <ul style="list-style-type: none"> • The decision incorrectly interprets or applies approval criteria; and • The decision fails to properly consider the Applicant's argument and substantial evidence in the record. <p>The decision to deny the application addressed only those sections which the Planning Commission found the application failed to satisfy: MMC Chapter 18.04 – Flood Hazard Area and MMC Chapter 19.402 – Natural Resources. The appeal details the deficiencies in the decision under these two main categories, which correspond to the findings for denial.</p> <p>In addition, the appeal asserts that the decision fails to apply the Milwaukie Comprehensive Plan and improperly applied subjective approval criteria as related to Needed Housing as defined in ORS 197.303.</p>
