Proposal:	Proposal to partition (through a replat process) a 15,056 sq ft lot into two properties. After the land is divided, the applicant plans to convert the existing detached garage into a single-unit dwelling and convert an existing accessory structure into an ADU for the new dwelling. The applicant is requesting a variance to the rear yard setback—to reduce the standard from 20 ft to 16.3 ft for the detached garage that is being converted into a dwelling. This garage is currently setback 16.3 ft and the variance will allow the single-unit dwelling to remain in its current location.
