Proposal:	<p>The applicant is requesting three variances to setback requirements for two newly created flag lots. On Lot 2, a variance is requested to reduce the rear yard setback from 30 ft to 22.5 ft. On Lot 3, variances are requested to reduce the front and rear yard setbacks from 30 ft to 22.5 ft. These requests would provide some relief to the special flag lot setback standards and would allow greater flexibility in the dimensional design of new houses for both lots.</p> <p>Prior to the recent three-lot partition, the site was developed with one single-family house (on what is now Lot 1). The existing house has been demolished and a new house is under construction on Lot 1.
