

**Goal Statement #1:**

Milwaukie offers numerous pathways to prosperity through an excellent education system and training programs that are connected to local business. Residents of all ages and backgrounds feel supported to pursue and attain success in our local community.

	Action Item
1	Host a Career Connections Convention
2	Create a Library Concierge position
3	Develop a K-12 Internship Program with local businesses

**Goal Statement #2:**

Milwaukie's neighborhoods are the center of daily life, with amenities and community-minded local businesses that meet the daily needs of residents. They form a network of unique, interconnected local hubs that together make Milwaukie the livable, equitable, and sustainable community that it is.

	Action Item
1	Create designated economic hubs
2	Construct more housing of different types

**Goal Statement #3:**

Downtown Milwaukie is a vibrant destination for both residents and visitors from throughout the region. Our industrial areas provide a high density of living-wage jobs across a number of different industries. The City is nimble and responsive to the needs of residents and businesses, with programs and policies that are financially sound, encourage job creation, and help support a strong and resilient local economy.

	Action Item
1	Encourage higher density, mixed-use buildings
2	Market the City as a hub for business incubation
3	Conduct an analysis of the local economy
4	Provide tax benefits or other incentives to encourage sustainable, long-term, living-wage business to move their operations to Milwaukie
5	Create initiatives like "Buy Local" and "Best for Milwaukie"

2	Host and support cultural events that reflect the diversity of the community
3	Develop a City program to encourage neighborhood block parties
4	Organize Community Volunteer Events
5	Acquire or support land for development of public and community space

**Goal Statement #2:**

Milwaukie is a diverse community that provides opportunities and support for all of its residents through a variety of resources and enriching activities. We encourage and support a vibrant local economy that contributes to a high quality of life where residents can live, work, learn, and play.

	Action Item
1	Expand trade school and continuing education programs
2	Develop a "Barn-Raising" program

**Goal Statement #3:**

The City of Milwaukie is an open portal where information is readily available, easily exchanged, and responsive. Residents feel empowered and have opportunities to engage and share ideas.

	Action Item
1	Initiate a City Youth Advisory Council

## Place: Housing, Infrastructure, Mobility, Neighborhoods, Parks

### Goal Statement #1:

Milwaukie has a complete, clean and attractive network of sidewalks, bike lanes and paths that enable accessibility, mobility, and safety for all. Streets are tree-lined, well-lit and designed to promote a healthy and active lifestyle. There is a seamless transition between walking, biking, and transit to key amenities and neighborhood centers.

	Action Item
1	Adopt Vision Zero
2	Identify and fill sidewalk gaps and ADA deficiencies in the existing network
3	Identify safe routes for all modes of transportation
4	Align transportation infrastructure with the classification of the facility

### Goal Statement #2:

Milwaukie invests in housing options that provide affordability, high quality development and good design, promoting quality living environments. It maintains the small neighborhood feel through creative use of space with housing options that embrace community inclusion and promote stability.

	Action Item
1	Decentralize affordable housing
2	Ensure quality design standards
3	Streamline permitting and waive system development charges for creative uses of space (i.e. Accessory Dwelling Units, Cottage Clusters, etc.)
4	Encourage community inclusion through multi-generational and multi-cultural community events

### Goal Statement #3:

Milwaukie collaborates with community partners to create and preserve spaces to inspire the public to be engaged with the city's past and future. Art and innovation is weaved into the fabric of the city.

	Action Item
1	Promote diverse programming in public space
2	Encourage partnerships between local businesses and artists
3	Provide opportunities for art installations
4	Promote community-sourced neighborhood design of public spaces

## Planet: Ecosystems, Energy, Environment, Resilience

### Goal Statement #1:

The entire city nurtures a connected canopy of trees planted and stewarded by its residents. Smart and focused development honors and prioritizes life-sustaining natural resources.

	Action Item
1	Create a strong tree ordinance
2	Create a robust urban forestry plan
3	Develop programs and code to better integrate development into the existing natural environment
4	Inventory neighborhood habitats
5	Develop a Backyard Habitat program

### Goal Statement #2:

Milwaukie has free flowing, accessible, pristine waterways that are protected by a robust stormwater treatment system. The Willamette waterfront is easily accessed by the public and offers a wide variety of activities and events that can be enjoyed by all.

	Action Item
1	Replace stormwater and sewer systems
2	Restore riparian habitats
3	Increase wetland opportunities for natural stormwater management
4	Enhance access for boats and other water activities
5	Perform regular evaluations of air and water quality monitoring

### Goal Statement #3:

Milwaukie is a model city that produces more energy through renewable sources than it uses. It is a prepared and resilient community, adaptive to the realities of a changing climate.

	Action Item
1	Solarize all industrial parks
2	Conduct an Energy Map and Carbon Wedge Analysis
3	Harden water and sewer systems
4	Create an Emergency Preparedness Strategy
5	Conduct a Food System Analysis
