Budget Message for Fiscal Years 2021-2022

April 28, 2020

To: Mayor Mark Gamba, Honorable Chair of the Milwaukie Redevelopment Commission Members of the Milwaukie Redevelopment Commission Members of the Budget Committee Citizens of Milwaukie

I am pleased to present you with the proposed biennial budget for fiscal years 2021-2022 for the Milwaukie Redevelopment Commission (MRC). This budget cycle includes a recommendation to form the Citizen Advisory Committee – a collaboration with city staff to develop a five-year action plan that prioritizes projects in the Urban Renewal Plan (Plan) for implementation.

Urban Renewal activities are funded through a mechanism called Tax Increment Financing (TIF), authorized under Oregon Revised Statute 457. When the Plan was adopted in 2016, the existing tax base for the urban renewal area was frozen – this is referred to as the frozen base. Property value increases and new development within the Plan area that increases revenue above the frozen base gets allocated to the MRC and can be spent within the boundaries of the Urban Renewal Area (URA). TIF is important as it provides funding for redevelopment projects that enhance an areas livability, reduce blight and ultimately increase the tax base within the URA. TIF can be used to provide much needed infrastructure, amenities and investments in new housing and commercial development, as well as improvements to existing buildings within the URA.

Milwaukie's URA focuses primarily in the downtown and central commercial areas. The frozen base for Milwaukie's URA is \$135,994,953. It is anticipated that the Plan will take 29 years to implement with a maximum indebtedness of \$92,500,000, where the maximum indebtedness is an estimate of future property tax growth over the period based on detailed assumptions, estimates and projects from the Plan.

Milwaukie begins this next budget cycle with \$495,000 and anticipates an additional \$456,000 will be generated over the next biennium. A contingency fund of \$100,000 per budget year and the issuance of \$2.0 million in debt to fund projects over the five-year action plan period is proposed. City staff anticipates beginning work on the five-year action plan in fiscal year 2021 and implementation efforts in the second half of fiscal year 2022. Proposed expenditures are reflected in this recommendation.

This budget is MRC's financial plan for the biennium ending June 30, 2022. The budget is prepared based on the modified accrual basis of accounting and appropriated at the program level – this involves recognizing revenue when it becomes both available and measurable, rather than when it is earned. Expenditures, a term used instead of expenses for modified accrual accounting, are recognized when the related liability is incurred.

MRC is managed by city staff and conforms to the same financial policies as the city. The city is committed to responsible fiscal management through financial integrity, prudent stewardship of public assets, planning, accountability and transparency. These fiscal policies enable the city to achieve and maintain a long-term stable and positive financial condition and are the basic framework for overall financial management and day-to-day and long-range fiscal planning and decision-making. The financial policies can be found within the city's biennial budget.

Respectfully submitted,

Leila Aman **Executive Director** Milwaukie Redevelopment Commission

MILWAUKIE REDEVELOPMENT COMMISSION BUDGET

PROPOSED BUDGET \$1,470,0000

DEPARTMENT DIVISIONS:

Administration

2021-2022 KEY INITIATIVES

- Develop a five-year action plan and prioritize projects
- Secure debt financing in Fiscal Year 2021 for capital projects.

DID YOU KNOW?

- Milwaukie Redevelopment Commission serves the public's interest in guiding how land and structures in Milwaukie are developed and served by infrastructure
- The city is actively pursuing solutions to the region's and city's housing affordability dilemma
