

City of Milwaukie Annual Cleanup Day

Saturday, June 21st, 2025

City of Milwaukie residents, the City of Milwaukie and Hoodview Disposal & Recycling are excited to announce this year's annual curbside cleanup event!

HOW IT WORKS

- All items must be set out where garbage and recycling carts are typically placed **by 6 am on collection day**.
- Bulky items will be picked up on hauler's normal routes – there's no need to call in advance.
- Collection will take all day and could run into the evening hours. Items left on Sunday may be ineligible for pickup. Please contact your hauler directly to verify eligibility.
- More than one truck will travel neighborhood streets collecting items. For example, one truck will collect appliances, while another truck will collect tires.
- This is not a recycling event. All items are treated as garbage and placed in a landfill. Please consider donation, reuse or recycling options for your items. www.oregonmetro.gov/tools-living/garbage-and-recycling/find-a-recycler
- **Items must not exceed the equivalent of five garbage bags or one couch.**
