II. Project or Program Details

Note: Please attach additional pages as necessary to fully describe the proposed project or program.

Describe the goal and the need for the proposed project or program.

Each summer the Lewelling NDA puts on a weekly concert series in August at Ball Michel Park. This series has been for years funded by
the annual NDA grants as well as money raised by Lewelling NDA running concessions at the Winter Solstice event. However costs have
increased over the years and hosting this level of event is getting less sustainable over time as our grant funding has not increased. We
hope to receive contributions from communities around the city to help us sustain putting on this beloved city-wide event.

Who will be involved in the project or program and how has support evolved in the neighborhood/s?

Members of the NDA are involved in organizing the event, hiring bands/soundperson, some minor concessions and an education booth.
Hearth and Soul Pizza and the Beer Store will be present though that is unrelated to NDA funding and this grant request.
Historically the funding for these concerts came from the annual \$4k from the city as well as Winter Solstice concessions profits.
However these revenues have not kept up with costs

Project Time Frame: Beginning Date 3/9/23 End Date 8/30/23

Please describe how the grant money, if approved, would be used:
