Shimron Tubman-secretary

Stephan Lashbrook- vice chair

Jay Panagos- Chair

C. IV. REPORTS

A. Clackamas County Fire Report Jack Tanz

Total of 2445 calls (continued to see year to date increase compared to previous years (over 1000 more incidents than this time last year)—EMS is the elevated increase

-In general, the fire district expresses its gratitude for the results of the level (increase in 62 new firefighters)

-Stations 1, 8, 15, and 19 will each receive 5 new employees

-Clark station will go to full 24 hour staffing

-starting on July 1st of 2023 Clackamas fire is in full contract with Sandy

-Back yard burning is closed until the fall—no Precipitation since early June

-please be aware of pedestrians,

-check for combustibles around property including on the roof

B. Milwaukie Police Report—Ryan Burdick

-Going to be a national night out on 8/1/23 from 2-4 pm. Also an event at Ardenwald on 8/3/23

8/24/23 -8/27 has woman's senior golf open at the Waverley club as well as the

-New officer James Smith from Marine corps is now an official addition to the police dept.

-Another lateral officer from another department

-Don Holton is a dedicated houseless worker through organization "Loved One" will come onboard to assist in houseless issues that arise. Will work closely with the police department

and Mental Health Department to help as resource orientation coordinator.

--goal is to identify high consumer of resources and help to find housing for these individuals.

-7/18-Anna Sparks received a life saving award for her first aid response to someone who was having a heart attack—

6/30—two officers were shot at Johnson creek and Bell—they are in stable condition

-suspects were doing a commercial burglary

-7/10 suspect in chaise led to a controlled tire stop which resulted in a sergeant receiving critical care due to the injuries sustained.

-7/12/23—12 year old was killed in Damascus being the seventh homicide this year —2020 had 2 homicides. The following two years had 5 homicides for each year respectively.

-in order to keep morale up, there department goes through regular rotations

-Many of the the department is working overtime due to the understaffing issue.

-when a new hire is made it regularly takes an average of 18 months.

-The funding increase at the state level is supposed to shorten the turnaround time several weeks turn-around time

-25%-33% of calls are related to houseless or mental health issues

-organized retail theft has an element of poverty. However, there are organized theft outfits that are often going to support addiction habits

-Canine program took a big hit with the termination of the officer who was working with the canine.

-department is in transition

-public safety foundation was able to transfer the dog to Malala program to keep working

-

C. Capital Improvement Plan Projects Jennifer Garbely

-wastewater sewer project is almost done—Harrison and Home has lining completed and should be final list done next week

-council has awarded from 32-42nd and grind and inlay from 42nd and Harvey to Johnson Creek

-Meek stormwater pipeline is under construction—Bit of delay due to procuring pipeline (first piece was done in 2020—NE side by railroad)

-now the second phase—The North piece that goes up to Roswell is being done starting in the fall (will help reduce flooding in this area)

-going to council on 8/1 for grind and inlay project to wrap up by mid October

-Waverly Sewer project is moving forward—Consultant has been hired

-Washington area project has a 2-phase step (looking for proposals that are bid and lowbid

-will go to council 9/5

-Ardenwald Safe project is getting final review with public works

-Hillside is a multistage project (first bidding plans will be submitted by December with goal to start in June of 2024)

-TSP has had first kickoff meeting this week—Activity and meetings will likely ramp up in September.

-first committee planning for TSP will likely be in October.

—Monroe apartments Seven Acres are meant to be completed by end of August

D. NDA Concerns PSAC Members

Ardenwald—40th and 41st are having grind and inlay work this fall — concern from some people who live there will experience more cut-through traffic

-concert in the parks starts at 7:00 on Thursdays in August

-will be a speed study before and after the improvements to assess any calming activity

Linwood—no active concerns

Lewelling—report for the safe route to schools report is meant to be released next month

Island Station—did not meet this month, but they are looking forward to getting the results from the speeding study which will be done in September

-Concerts in the park in Lewelling are starting on Wednesdays at 6:30

Hector Cambell—intersection on 37th and Washington was large point of discussion with Steve Adams. Eagerly awaiting the completion of Seven Acres

Lake Rd—Not in attendance

D. V. DISCUSSION

A. Draft Work Plan Edits All

-The TSP discussion will be an ongoing part of the PSAC meetings

-Attend to how climate change has had an impact on Disaster preparedness

-Address how programs that are suspended will be reintroduced as appropriate (ie. Care free sunday)

-What would it take to get a splash pad?

B. Union Pacific Railroad Contact Information Ben Green

VI. FUTURE MEETING DATE/AGENDA ITEMS All Next regular meeting August 24, 2023

VII. ADJOURN Attachments:

Milwaukie Public Safety Advisory Committee

Work Plan
2023 - 2024

2023 - 2024

Transportation System Plan Updates

During FY 23 and FY 24, planning and engineering have budgeted for and are preparing for a revision/rewrite of our Transportation System Plan (TSP). The TSP has not been through a major revision since 2013. During the 2022-2024 revision/rewrite of the TSP, PSAC will provide an active role in its capacity as an advisory committee on public safety (representing all neighborhoods within the city). The committee will collaborate with city staff, community members, our neighborhood district associations (NDAs), businesses, and other stakeholders. PSAC recently nominated two of its representatives to serve as liaisons between our committee and the Transportation System Plan (TSP) advisory committee. These representatives will facilitate communication and collaboration between the two committees, ensuring that public safety considerations are effectively integrated into the transportation planning process.

Continued/Ongoing

Disaster Preparedness

PSAC will work with CERT, Milwaukie Police, Clackamas Fire, and the City Emergency Management Coordinator to determine what the public should expect from these entities and how they can provide support to their community during an emergency. PSAC has a unique position that allows great communication between the City of Milwaukie, the NDAs, and the public. PSAC members will use this position to:

- Increase awareness of emergency protocols and evacuation orders
- Increase awareness of what can be expected of all city services during an emergency
- Provide education about CERT
- Work with the City's Emergency Operations Manager (EOM)
 - Aid in the development and community awareness of key Emergency and Disaster Planning Resources and Procedures
 - Provide feedback and act as a bridge between the City's EOM and the NDAs
- Encourage each NDA to have their own Disaster Preparedness committee and cache of supplies
- Assist with CERT membership advocacy
- Provide public education on general disaster preparedness that the public can do at home through communication with NDAs and by participating in public outreach opportunities such as booths and applicable public events and public-speaking opportunities with designated city personnel
 - ClackCo Public Alerts Registration (<https://www.clackamas.us/dm/publicalerts>)
 - "2 Weeks Ready"

- Learning from the COVID-19 crisis
- Promote National Preparedness Month (September)

Milwaukie Police, Clackamas Fire, CERT, MPSF

PSAC recognizes and appreciates the ongoing work of our police force, fire and rescue, as well as the important contributions of the volunteers of Community Emergency Response Team and Milwaukie Public Safety Foundation. PSAC will continue to respond to neighborhood concerns and act as the liaison between Police/Fire and the NDAs. PSAC will work to maintain the strong relationships it has built with these organizations by inviting a member from one of these groups to each meeting and by promoting important events throughout the year and/or designating volunteers to assist as our schedules allow:

- Officer of the Year Dinner - Each year in/around February
- Shred Day/Prescription Drug Drop Off Day - Each year in/around April
- Bike Giveaway - Each year in/around April
- 9K for K9 - Each year in/around July

Safe Routes to School

Continue to support efforts of SRTS in community outreach and awareness. Assist with communication to city neighborhoods.

Additional Tasks

- SAFE Outreach
- Work with Engineering on community member requests; consider adding time to each meeting to prioritize incoming community traffic control requests.
- Review Requests for Service applications for potential prioritization within the SAFE program
- Review requests for ADA improvements, acting as the Community Planning Advisory Council, for prioritization within the ADA transition plan.
- Maintain open communication and a positive relationship with the Milwaukie Police Department and Clackamas County Fire Department. Schedule some time during an upcoming meeting for an update about the police department (trends, policies, procedures, etc.).
- Support and aid Milwaukie's CAREFree Sundays event to establish communication between the two groups and see what opportunities exist for PSAC to participate.
- Work with Planning to ensure Neighborhood Hubs Project connects with proposed SAFE projects.
