MEETING NOTES

Minutes from the June 17, 2020, meeting were approved.

Peter led a discussion of changes to the draft Tree Code including the Hazardous Tree definition for street and public trees, permit approval criteria, and fee schedules. He said a Tree code discussion with City Council will take place on August 11.

The current draft does not have an appeal process. Decisions by the City Manager or designee would be final.

There was a review of low-income assistance possibilities for those 50% below the median household income.

The meeting concluded with a discussion of fines for a permit violation or for not getting a permit. The current fine for not getting a street tree cutting permit is \$1,000.

Next meeting: August 19, 2020.

Adjourned at 7:15 pm.
