MEETING NOTES

There were no comments from the public.

Natalie said amendments to the Tree Code were discussed with the City Council April 4th. More specific language defining healthy and unhealthy trees is needed. Staff is also reviewing how the tree code impacts ADU's (Additional Dwelling Units).

Staff will be discussing Tree Code revisions with Council on July 18.

Natalie said the City's invasive tree list and the rare and threatened tree lists are also under revision.

The Board heard Earth Day celebration plans at the Willow Pond Retention site, highlighted by planting 400 trees.

Addressing the two vacancies on the Tree Board, Natalie said interviews with prospective members are eminent with appointments in June.

The meeting adjourned at 6:53pm.
