We are watching and discussing the film Join or Die

SYNOPSIS *Join or Die* is a film about why you should join a club — and why the fate of America depends on it. In this feature documentary, follow the half-century story of America's civic unraveling through the journey of legendary social scientist Robert Putnam, whose groundbreaking "Bowling Alone" research into America's decades-long decline in community connections could hold the answers to our democracy's present crisis.

Join Bob as he explores three urgent civic questions:

What makes democracy work?

Why is American democracy in crisis? And, most importantly...

What can we do about it?

This will be another tool to use in our efforts to reduce polarization and work together.
